Indoor Snowball Fun

Practice your aim with this safe and fun game. Make up the rules for your game.

Time to complete: 15 min. to set up, hours of fun

Age Group: All ages

Supplies or materials:

- Safe indoor space to move around
- Pretend snowballs (e.g. sock balls, crumpled recycled paper, bags of cotton balls,

  marshmallows, cotton balls etc.)
- If you would like to use targets to aim at, you can use a variety of materials you might have at home like storage baskets, cardboard with holes cut out couch pillows etc.

Instructions:

- Work with your family members to gather your pretend snowballs.
- Decide where you will play your snowball game in the house (set boundaries)
- Co-create rules with your family members (e.g. underhand throws, targets/no targets, teams/no teams, etc.)
- If you are using targets, set them in any arrangement you'd like (see example)
