

KEY MONTHLY LIBRARY ACTIVITIES - 2012

Month: January

Location: Courtneypark

REACHING OUT TO...

FAMILIES AND CAREGIVERS

1. Staff offered 17 storytimes to 305 attendees of varying ages.

YOUTH

1. Courtneypark welcomed St. Marcellinus students into the library during their hectic exam period. After morning exams were complete, students flooded into the library to study for the following day. Demand for space was high, and students and staff alike needed to be creative in finding places for everyone to conduct their studies. Positive comments from members of the community were received, as people appreciated seeing the students so hard at work.
2. Almost 600 children in 27 classes visited the Library this month. Some topics for the visits included poetry, fractured fairy tales, and community helpers. Another 10 classes were visited in the schools.

COMPLETING OUR NEIGHBOURHOODS

1. Volunteers donated 88 hours of their time to Courtneypark Library. Volunteers examined the board book collection, and removed duplicates and items in poor condition. Also, they examined both the adult and children's DVD collections thoroughly for broken cases and torn covers, thereby increasing the attractiveness of the collection. Their time, smiles and contributions to the Courtneypark Team are greatly appreciated!
