

KEY MONTHLY LIBRARY ACTIVITIES - 2012

Month: March

Location: Erin Meadows

REACHING OUT TO...

FAMILIES AND CAREGIVERS

1. March Break at Erin Meadows was very successful. Programs for children and families were offered every day with over 300 people attending. Creature Quest was a particular favourite. The children were able to touch the animals including a python, tortoise and falcon.
2. Attendance at the evening session Mandarin preschool storytime continues to increase. Newcomer parents are delighted that their children can meet other children in an environment that is familiar and welcoming.

YOUTH

1. The Erin Meadows TAG offered a program for tweens based on the wildly popular Hunger Games book. Younger teens attended and noisily discussed favourite characters, played trivia games and acted out scenes from the story. The TAG members did a wonderful job organizing and presenting the event.
