

# MISSISSAUGA TRAILS + BIKEWAYS MAP

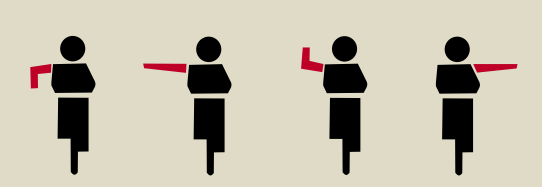

## ROAD POSITIONS FOR CYCLISTS

According to the Highway Traffic Act of Ontario, bicycles are vehicles. Cyclists have the same rights and responsibilities as motorists and are subject to the same traffic laws, signs and signals.

## SIGNALS TO INDICATE TURNS

Failure to use proper signals and ride in proper road positions can result in charges under the Ontario Highway Traffic Act and worse an accident.

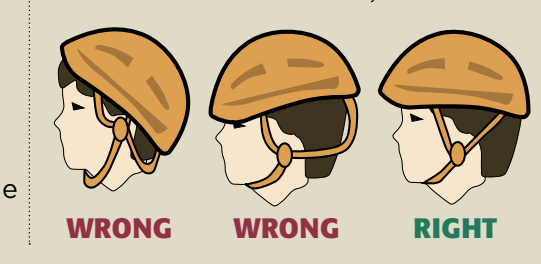

**STOP** Failure to use proper signals and ride in proper road positions can result in charges under the Ontario Highway Traffic Act and worse an accident.

## TRAIL ETIQUETTE

- Keep to the right
- Cyclists yielding to pedestrians
- Give audible warning when passing
- Keep to the trail
- Do not litter
- Respect nature and private property
- Have your dog on a leash

## ONTARIO'S BICYCLE HELMET LAW

It is strongly recommended that all cyclists, irrespective of age, wear a CSA, ANSI or SNELL approved bicycle helmet. Your personal safety is your responsibility. However, it is the law for those 17 years old and younger to wear a helmet. Wearing an approved bicycle helmet will reduce the number and severity of head injuries sustained in bicycle crashes. Following the rules of the road and using safe equipment may prevent collisions.

## MAIN TRAILS/ROUTES (not all pathways are listed)

Applewood Trail (D-5)	2.5km
