WHEREAS, the economy of Canada continues to recover from the recent economic downturn;

AND WHEREAS, the Federation of Canadian Municipalities state that the national municipal infrastructure deficit, estimated at \$123 billion (2007), continues to grow and that 40% of federal investments in municipalities will expire by 2014;

AND WHEREAS, the Canadian Urban Transit Association calculates that the economic benefit of Canada's existing transit systems is at least \$10 billion and that transit reduces vehicle operation costs for Canadian households by about \$5 billion annually;

AND WHEREAS, municipalities across Canada are working diligently to keep their existing infrastructure in a state of good repair;

AND WHEREAS, the City of Mississauga has been at the forefront of raising awareness on the issue of the growing infrastructure deficit and the need for sustainable infrastructure funding to keep municipalities and the economy strong;

AND WHEREAS, municipalities across Canada appreciate the leadership and financial support of the federal government through the Infrastructure Stimulus Fund (ISF) program and the federal Gas Tax Fund;

AND WHEREAS, the federal government contributed one-third funding for the ISF program and municipalities also played a key role by contributing one-third funding and ensuring projects were completed in very tight timeframes;

AND WHEREAS, the Canada will have a federal election on May 2, 2011;

NOW THEREFORE BE IT RESOLVED, that the City of Mississauga calls on the next Government of Canada to make municipal infrastructure and public transit a national priority and that the next Government of Canada immediately set in place on-going, sustainable financial support to assist municipalities in reducing municipal infrastructure deficits and creating a comprehensive, inter-governmental public transit policy framework;

AND FURTHER, that after the federal election on May 2, 2011, a copy of this resolution be sent to the Prime Minister of Canada and the elected Mississauga MPs seeking commitment and action.

Carried

Councillors Mullin and Tovey and Mayor McCallion spoke to the following Resolution 0107-2011.

0107-2011 Moved by: Pat Mullin

Seconded by: Jim Tovey

WHEREAS the City of Mississauga was home to the original 10,000 year old Carolinian Forest;

AND WHEREAS the remaining Carolinian forest in Mississauga is in serious decline;

AND WHEREAS the target for combating the negative effects of climate change is 30% tree canopy;

AND WHEREAS the city of Mississauga is committed to increasing its 17% green space;

AND WHEREAS the removal of large trees within the City reduces the City's tree canopy cover;

AND WHEREAS the preservation of trees is supported by the Green Pillar within the City's Strategic Plan;

AND WHEREAS the City's current Tree Permit By-law allows for the removal of up to four (4) trees per year on private property without a permit;

AND WHEREAS this allows for the removal of single large trees without a permit;

AND WHEREAS City staff, as per Council's direction, are reviewing amendments to the Tree Permit By-law to regulate trees considered important from a "Heritage" perspective;

AND WHEREAS the regulating of the removal of all single large trees on private property across the City (alternative within Wards 1 and 2) by amending the City's Tree Permit By-law would be an important step in protecting the City's tree canopy;

NOW THEREFORE be it resolved that Staff be directed to include an option in their review of the City's Tree Permit By-law that strengthens the City's Tree Permit By-law to regulate the removal of all single large trees on private property across the City.

WHEREAS Attique and Gul Asad and Nasira Sultana, the owners of 640 Willowbank Drive, Ward 3, applied to the Committee of Adjustment for a minor variance under file "A" 252/10 to permit the existing driveway, having a maximum width of 8.80 m (28.87 ft.), to remain on the subject property, whereas By-law 0225-2007, as amended, only permits a maximum driveway width of 7.90 m (25.91 ft.) in this instance;

AND WHEREAS on June 24, 2010, the Committee of Adjustment determined that the driveway and abutting concrete walkway was aesthetically pleasing and maintained both the intent of the Official Plan and Zoning By-law, and, as a result, subsequently approved the minor variance application;

AND WHEREAS the City's Legal Services Department was directed to issue an interim appeal of the Committee's decision;

AND WHEREAS on September 15, 2010, Council approved Resolution 0235-2010 directing staff to pursue the appeal;

AND WHEREAS an Ontario Municipal Board hearing is scheduled for April 18, 2011 to hear this appeal;

AND WHEREAS staff have reviewed the matter, re-examined property and the context of the existing neighbourhood and upon further reflection have determined that pursuing this specific appeal is not recommended;

NOW THEREFORE LET IT BE RESOLVED THAT: staff be directed to withdraw the appeal to the Ontario Municipal Board with respect to the minor variance application under file "A" 252/10.
