4. **PRESENTATIONS**

(a) **2006 World Leadership Award for its Healthy City Stewardship Centre**

Janice Baker, City Manager made a presentation with respect to the 2006 World Leadership Award for its Healthy City Stewardship Centre presented to the City of Mississauga in London, England on December 6, 2006. The City Manager provided a video that was presented to the judging panel on December 6, 2006.
The City Manager acknowledged members of the University of Toronto Mississauga (UTM) and City staff who were instrumental in the award submission advising that the City of Mississauga submitted in the health category and was short listed with cities of Lima, Peru and Madrid, Spain. Ms. Baker advised that congratulations had also been received from the Mississauga Halton Local Health Integration Network (LHIN) and that Michael Fenn, Chief Executive Officer of LHIN had agreed to serve as a Healthy City Stewardship Centre member.

Caesar Cheng, Board of Director member with the Mississauga Halton Local Health Integration Network congratulated City Council on behalf of LHIN for its achievement and advised that LHIN was looking forward to working with the Healthy City Stewardship Centre.

5. DEPUTATIONS

(a) Lake Ontario 300 Sailboat Challenge

Lynda Townsend and Brian Townsend, members of the Organizing Committee for the Lake Ontario 300 Sailboat Challenge, appeared before Council and provided an overview of the international event to be held on July 21, 2007 in Mississauga hosted at the Port Credit Yacht Club. Brian Townsend advised that a meeting was held with the Port Credit BIA and the business community in Port Credit to schedule some events around the race starting on July 19, 2007. He advised that the Organizing Committee was asking Council to assist in promoting this event. With respect to parking, Mr. Townsend advised that permission had been received to utilize the OPG lands.

Councillor Carmen Corbasson advised that this event was discussed at the last Board of Directors meeting of the Port Credit BIA and that the membership was very excited. She advised that City staff and her office would be pleased to assist in promoting this event.

Mayor McCallion suggested that the City’s Tourism Committee be involved in promotion.
Councillor Maja Prentice suggested that the Organizing Committee provide a paragraph of information on this event to be included in the Councillors’ newsletters in the spring.

(d) Snow Clearing and Burnhamthorpe Bridge

Michael Daroczi, resident, appeared before Council with respect to snow clearing and the Burnhamthorpe Bridge. Mr. Daroczi advised that with respect to snow clearing, he was suggesting that at least one sidewalk should be cleared of snow at all times on either side of any street in the City to ensure the safety of pedestrians. In the event that there is no sidewalk, there should be a dedicated public pedestrian right-of-way.

Regarding the Burnhamthorpe Bridge, Mr. Daroczi advised that he had spoken with the Commissioner of Transportation and Works about increasing the height of the railing to today’s standards and that he had spoken with two companies who had provided him with a quotation of $125,000 to quickly retrofit both sides of the Burnhamthorpe Bridge.
At the request of Council, the Commissioner of Transportation and Works advised that he had spoken with Mr. Daroczi regarding this matter and had advised him of a proposal in the 2007 budget to design a pedestrian/cycling facility on the north side of the Burnhamthorpe Bridge to connect with the current pathway which would meet the current standards for cyclists and pedestrians. He advised that, subject to Council approval, the design work would start this year and would be implemented in 2008. Mr. Powell advised that railings cannot just be altered because the Bridge Code is specific that once alterations commence on a bridge, that the entire bridge has to be brought up to current standards. Mr. Powell further advised that the Burnhamthorpe Bridge was built in 1980 and met the standards of the day. He advised of “Share the Road” signage and the painting of bicycle symbols on Burnhamthorpe Road that had recently been implemented in the fall 2006 for experienced cyclists. Mayor McCallion advised that the provincial government had committed to reviewing all bridges in the province.

Mr. Daroczi advised of two other incidents of concern. In the summer of 2005, there was a sewer break at Riverside Public School with sewage draining into the storm sewer. He advised that he had contacted City staff and when receiving no response, had contacted the Ministry of the Environment who responded immediately. The Ward Councillor Carmen Corbasson advised that she was unaware of this situation and advised that although this was a Region of Peel responsibility, City staff should have referred him to the Region of Peel to respond.

Mr. Daroczi advised that in the fall of 2006, there was construction at Indian Road and Mississauga Road and the removal of a sidewalk on the east side of Mississauga Road. He advised that this presented a safety concern for pedestrians and he questioned why the City had not established a pedestrian right of way in this location. Mr. Daroczi advised that his concern is with the overall safety of pedestrians and that he felt that City staff was slow in responding to issues. Mayor McCallion suggested that Mr. Daroczi set up an appointment to meet with her to review his concerns regarding staff response to his issues.

Bruce Carr, Director, Strategic Planning and Business Service, Planning & Building and Phil Myrick, Project for Public Spaces appeared before Council with respect to Building Mississauga around Places – A Vision for City Centre Parks and Open Spaces in the 21st Century – June 2006. Through a power point presentation, the vision for a downtown plaza in the city centre was presented to Council. Bruce Carr advised of a public meeting to be held that evening regarding this presentation and invited all members of Council to attend.
Councillor Frank Dale thanked both Bruce Carr and Phil Myrick for their participation in the project for public spaces for the city centre advising of the challenges faced by Council in the past to develop this area. Councillor Dale advised that he was pleased to see the link of parks with the city centre and the connection from Burnhamthorpe Road to Zonta Meadows.

Janice Baker, City Manager, advised that the place making process had been discussed at length by the Leadership Team (LT) who had attended a training element. She advised that Management will be taking a more forward approach to place making in the future.

Councillor Maja Prentice expressed concern that the farmers market would be moving away from the Civic Centre. Bruce Carr responded that he had met with the Farmers Market Committee to discuss alternate locations, advising that the current site is too small and presents problems with safety, security and parking. Councillor Prentice requested that staff prepare a report back to Council regarding the location of the farmers market and ongoing negotiations.

Councillor Dale advised that in the spring 2007, the farmers market would be located in the southeast parking lot at the corner of Duke of York Boulevard and Rathburn Road to accommodate the parking and general public advising that he hoped that in the future, a market could be created closer to the Square One Shopping Centre.

Councillor Prentice also expressed disappointment with the length of time to utilize the lands surrounding the Living Arts Centre advising that she would like to see this usage moved forward to make this area more interactive without spending a lot of money. Bruce Carr responded that in next year’s budget, it is a capital expenditure, and that there is a plan in place to work with Recreation and Parks staff to better program the space at the Living Arts Centre. Mayor McCallion added that Mississauga’s proximity to Toronto presents many challenges and stressed the importance of the residents of Mississauga buying into the plan. Mr. Myrick advised that the place making project is designed to externalize the assets of the City so that they are visible to the residents. He advised however, that in order for this to happen, the City must create a new investment strategy and be willing to increase its budget for this purpose.

Mayor McCallion advised that the success of this project is left with the residents to buy into a different way of life and culture in the city core. She enquired if City staff had approached the developers in the city core as a group and presented the plan. Mr. Carr advised that staff had not met with the developers as a group and would proceed to do so.

At Play Mississauga – Sponsorship Update

John Rydzewski and Jamie Brown, Community Services appeared before Council with respect to the At Play Mississauga – Sponsorship Update. John Rydzewski provided a brief history of the background regarding this program which is a no charge after school drop-in program for at risk youth in Mississauga between the ages of 10 to 15. He advised that in March 2006, Council approved the title sponsorship agreement with Wal-Mart Canada and titled the program “Wal-Mart At Play Mississauga”. He advised that the program provided the opportunity for youth to participate and learn about sports in a non-competitive and non-threatening environment.

Jamie Brown advised of the elements and execution of the agreement and the strength of the corporate sponsors advising of the total value of sponsorship from all sponsors in 2006 and that in some cases, companies offered marketing opportunities and supplied volunteers to act as mentors for the youth.

John Rydzewski advised that based on the success of the spring session, the program was expanded in the fall to include At Play Art Days and Mobile At Play to take the program to areas of the City that may be too far from the community centres. This resulted in over 8,500 visits in 2006.

Members of Council congratulated staff and the sponsors on the success of the program. Mayor McCallion suggested that the City express appreciation to Wal-Mart as being such a valuable member of the corporate sector in Mississauga. Mr. Rydzewski advised that staff is planning to recognize Wal-Mart and the other sponsors.

UB-1 Supplementary Report - Rezoning Application, 1355 Silver Spear Road, Owner: CAP REIT Apartments Incorporated (Ward 3)

The following was referred to Council without a recommendation from the Planning and Development Committee meeting on January 8, 2007 at the request of the Ward Councillor:
Report dated December 12, 2006 from the Commissioner of Planning and Building with respect to a Rezoning Application to permit additional apartment building development, 1355 Silver Spear Road, West side of Dixie Road, south of Burnhamthorpe Road East, Owner: CAP REIT Apartments Incorporated, Applicant: Northgrave Architects, Bill 20, OZ 02/002 W3.

RECOMMENDATION:

That the Report dated December 12, 2006, from the Commissioner of Planning and Building recommending approval of the application under File OZ 02/002 W3, CAP REIT Apartments Incorporated, 1355 Silver Spear Road, west side of Dixie Road, south of Burnhamthorpe Road East, be adopted in accordance with the following:

1. That notwithstanding that subsequent to the public meeting, changes to the application have been proposed, Council considers that the changes do not require further notice and, therefore, pursuant to the provisions of subsection 34(17) of the Planning Act, as amended, any further notice regarding the proposed amendment is hereby waived.

2. That the application to change the Zoning from “RM7D4-242” (Multiple Residential) to “H-RM7D5-Special Section” (Multiple Residential) to permit an additional apartment building on the lands in accordance with the proposed zoning standards described in the report, be approved subject to the following conditions:

(a) That the implementing zoning by-law incorporate a Holding Symbol which can be lifted upon the condition that a satisfactory Site Plan has been approved by the City, addressing matters respecting the massing and conceptual design of the proposed building and its relationship with the existing building, streets and exterior areas.

(b) That the applicant agree to satisfy all the requirements of the City and any other official agency concerned with the development.

(c) Prior to the passing of an implementing zoning by-law for residential development, the City of Mississauga shall be advised by the School Boards that satisfactory arrangements regarding the adequate provision and distribution of educational facilities have been made between the developer/applicant and the School Boards for the subject development.

3. In the event that the new Mississauga Zoning By-law is passed by City Council and comes into force and effect, the new Mississauga Zoning By-law be amended from “RA4-42 (Apartment Dwellings) to “H-RA4-Special Section” (Apartment Dwellings) subject to conditions contained in Recommendation No. 2.
4. That the decision of Council for approval of the rezoning application be considered null and void, and a new development application be required unless a zoning by-law is passed within 18 months of the Council decision.

Councillor Maja Prentice advised that staff had prepared a new recommendation that had been circulated to members of Council and that she concurred with the new recommendation. The Councillor advised however, that there are two outstanding items that had not been addressed by staff to do with the ability to charge for parking on private property and property standards issues on these buildings.

UB-2 Publication Distribution Box By-law

The following was referred to Council without a recommendation from the General Committee meeting on January 10, 2007 in order for staff from Legal Services and Transportation and Works to prepare a supplementary Corporate Report and by-law:

Report dated December 22, 2006 from the Commissioner of Transportation and Works presenting a new by-law for the regulation of publication distribution box location.

RECOMMENDATION

1. That a new by-law be enacted to repeal and replace By-law 175-91, to regulate the placement of publication distribution boxes on highways as provided in Appendix 2 of the report dated December 22, 2006, from the Commissioner of Transportation and Works.

2. That the Fees and Charges By-law No. 471-2006, be amended to include a Publication Distribution Box permit fee of $50 per box per year and a Publication Distribution Box removal and storage fee of $50.

**P-2** Request to Remove Existing and Install New Noise Walls on Tomken Road (Ward 3)

Petition from residents requesting the removal of existing noise walls and the installation of new noise walls on the east side of Tomken Road from Rathburn Road East to Willowbank Trail.

Received/Referred to Transportation and Works for appropriate action
RT.07 (Ward 3)

Councillor Carolyn Parrish advised that she had attended some of the public meetings in Ward 6 dealing with the removal and installation of new noise walls advising that many of the residents did not appear to be interested in cost sharing in this project. Councillor Parrish requested a meeting with the Commissioner of Transportation and Works to discuss this issue further.

Mayor McCallion advised that the area in question is the noise wall on the west side of Mavis Road in Ward 6 and enquired if there were temporary plans to repair the walls. The Commissioner of Transportation and Works advised that there was insufficient support from the residents to proceed with the program and that the walls would continue to deteriorate and it will become an aesthetic and safety issue. Once it becomes a safety issue, staff would block off those areas. Councillor Prentice advised that there are a number of noise walls in Ward 3 that had fallen down and in a state of disrepair. The Commissioner of Transportation and Works advised that staff would be reviewing these walls through property standards as the walls are on private property. He advised that he would meet with the respective Councillors regarding this issue.

WHEREAS on December 13, 2006, Council adopted Recommendation PDC-0094-2006 which approved the Payment-in-Lieu of Off-Street Parking (PIL) application under file FA.31 06/002 W1, Akbar’s Court Ltd. to permit the sum of $71,250.00 to be approved as the amount for the payment-in-lieu of nineteen (19) off-street parking spaces and that the owner/occupant enter into an agreement with the City of Mississauga for the payment of the amount owing in instalment payments for the lands located on the north side of Lakeshore Road East, east of Stavebank Road, known municipally as 66 - 70 Lakeshore Road East;

AND WHEREAS the owner/occupant has now requested to pay the sum of $71,250.00 in lieu of providing nineteen (19) off-street parking spaces in a single, lump sum payment and enter into an agreement with the City of Mississauga for the payment of the full amount owing in a single, lump sum payment;

AND WHEREAS staff have reviewed the requested amendment and have no objection;
NOW THEREFORE LET IT BE RESOLVED THAT in recognition of the above, Council hereby rescinds Recommendation PDC-0094-2006 and replaces it with the following:

“That the Report dated November 7, 2006 from the Commissioner of Planning and Building recommending approval of the Payment-in-Lieu of Off-Street Parking (PIL) application under file FA.31 06/002 W1, Akbar’s Court Ltd., 66 - 70 Lakeshore Road East, north side of Lakeshore Road East, east of Stavebank Road, be adopted in accordance with the following requirements for “Lump Sum” agreements:

1. That the sum of $71,250.00 be approved as the amount for the payment-in-lieu of nineteen (19) off-street parking spaces and that the owner/occupant enter into an agreement with the City of Mississauga for the payment of the full amount owing in a single, lump sum payment.

(a) **Protocol Regarding Deputations before Council**

Councillor Nando Iannicca requested that the protocol with respect to deputations before Council be reviewed so that they can be handled more efficiently, in fairness to the deputant and the public present at a Council meeting. He advised that prior to a Council meeting, a resident should be advised that the issue of concern would be addressed by staff through a corporate report to either Council or General Committee prior to a deputation being made. The Councillor suggested that the City Manager, Commissioner of Corporate Services, City Solicitor and the City Clerk meet and prepare a “Deputation Policy” and perhaps a pamphlet providing guidelines for the public regarding deputations before Council.

Mayor McCallion advised that although she did not have issue with a pamphlet, she was in favour of the current ‘open process’ in which Council functioned and would not like to change this process. She advised that she had received many compliments with the openness of Council meetings. The Mayor advised that she received many calls on her television show and when questions are asked, she ensured that the answers are provided on her next show which resulted in a positive outcome.
Councillor Carolyn Parrish advised that she was concerned that when a resident appeared before Council on public television and when his/her questions were not answered by staff at that meeting, it appeared that the issue was left unresolved. She advised that she supported the request to review the issue and also supported the openness of Council meetings.

The aforementioned staff was requested to convene a meeting to discuss this matter and to report back to Council.

15. INQUIRIES

(a) St. Francis of Xavier Secondary School (Ward 5)

Councillor Eve Adams advised that there is currently a bus stop across from St. Francis of Xavier Secondary School, 50 Bristol Road; however, there is no sidewalk to accommodate pedestrians waiting for the bus. She advised of her concern for the safety of the students who have to stand on the road when waiting for the bus. The Councillor asked the Commissioner of Transportation and Works to review this safety issue with the School Board.
