* The Abuse & Harassment component included in the HTCP is a condensed version from the Speak Out program. It is not a substitute for the three-hour "Speak Out" program.

**The minimum qualification for obtaining status as a Level II certified trainer is a Standard or Emergency Plus First Aid card from a recognized first aid provider group. Those individuals having full accreditation in the following areas are able to apply for HTCP Level II status once they have successfully completed the Level I program: Medical Doctor, Registered Nurse, Occupational Health Nurse, Physical Therapist, Athletic Therapist (CATA C.), Ambulance Attendant, Paramedic, Chiropractor, Physiotherapist, Dentist, Registered Respiratory Therapist (RRT), Podiatrist and Military Medic (all qualifications must be licensed in Canada). In all circumstances the individual must provide proof of qualification to the hockey association Technical Director for proper certification to be issued. Please note that an administration fee may apply. Please contact the HDCO office for additional information.
