

Hazel McCallion Rose

Classic . Versatile . Vigorous . International Favourite

Classic

Sure to complement any corporate flower bed, garden or community park, the Hazel McCallion Rose is a medium-sized, pink-white bloom with a mild fragrance. Able to bloom continuously throughout the season its bushes will contain blooms surrounded by semi-glossy, rich green foliage.

Versatile

The Rose is ideal for use in flower beds and borders, in a garden and as a cut flower for exhibition. It can be grown both in the ground and in a container, and requires little care once planted.

Vigorous

The Hazel McCallion Rose will stand the test of time, being disease resistant, mildew resistant and blackspot resistant.

International Favourite

The Hazel McCallion Rose is registered internationally and with its strong characteristics it can be grown in diverse countries around the world, many of which have been memorable travel destinations for its namesake.

Countries the Rose can be grown in include: Australia, Brazil, Canada, Chile, China, Denmark, Fiji, France, Germany, Greece, India, Italy, Japan, Mexico, Portugal, Russia, Singapore, South Africa, Spain, Sweden, United Kingdom, United States and many more.

How to order: Rose Catalogue # MFHAMC10

Visit www.hortico.com to place your order:

Click on "Roses" and select "Rose Search".

Enter the name "Hazel McCallion" and begin search. The rose should come up immediately. Select "Add to Cart". Enter desired quantity and proceed by clicking "Order Securely".

Enter billing, shipping and payment information and proceed to next step.

Review the details of your order and, if correct, select "Confirm Order". It will be sent to Hortico's database for processing. A printable form will appear - print a copy for your records.

Alternatively, complete the faxable order form on the reverse (F: 905-689-6566).

For more information please call 905-689-6984.

Each rose bush is approximately one foot in height and will be delivered ready to plant.

**Part of proceeds donated to Hazel's Hope charity organization.*
