

Elementary Schools' Newsletter- October 2008

This monthly e-newsletter tells you about the extensive and changing resources, programs and services at the Mississauga Library System.

October is Ontario Public Library Month

Interesting facts:

- there are 3 times as many public libraries in Canada as McDonald's – 3,153 libraries
- public libraries are the number one point of on-line access for people without connections at home, work or school
- 100% of public libraries now offer Internet access
- more Canadians visit libraries than take part in golf, hockey, baseball and swimming combined
