Mississauga's Night Out Against Crime

Neighbours Night Out in Mississauga is a unique community safety event organized by SafeCity Mississauga. Neighbours Night Out is a street party that supports recognizing Neighbourhood Watch volunteers, increasing community awareness about safety in your neighbourhood and recruits individuals to champion new Neighbourhood Watches. Individuals host a neighbourhood gathering on their street, backyard or community gathering spot to get to know their neighbours. This tradition is a reminder that when neighbours join together, they can and do effectively deter crime. To register and for more information, please visit: www.safecitymississauga.on.ca.
