St. John Ambulance: What Every Babysitter Should Know

A course created for the 11 - 14 year old age group designed to teach babysitting, leadership and first aid skills in a fun and informative way. Students learn how to care for infants, toddlers and older children, what questions to ask parents, how to give first aid and what to do in emergencies. Activity book activities, role-playing and hands-on practice teach skills and build confidence. Each student will receive a copy of our award winning publication, *What Every Babysitter Should Know* handbook, and upon successful completion, a St. John Ambulance Babysitter's attendance certificate. All proceeds from courses go to support health & safety programs in the community.
