Counsel for the City of Mississauga Judicial Inquiry, headed by Mr. Justice J. Douglas Cunningham, expects the public hearings phase to start sometime in the first quarter of 2010. Hearings on applications for standing will take place in December.

A call for applications will be advertised within a few days. Standing before a Commission of Inquiry gives an individual or organization the right to take part in the proceedings and to make submissions on terms set by the Commissioner.

Further information will be available on the Commission's website www.mississaugainquiry.ca that is expected to be activated within a few days.
