Some members of the Committee who were present at the site inspection, expressed concern with the amendment to the recommendation as the warrants for the second Crossing Guard were not met. Mr. Swedak asked if Traffic Safety Council would be permitted to re-inspect this location at a future date. Councillor Dale advised that he would support Traffic Safety Council if they would like to re-inspect this location in the future. Sheelagh Duffin, Crossing Guard Supervisor, advised that this location was re-inspected because of the installation of traffic signals in November 2006 on Bristol Road. She advised that the turning traffic is negligible and the traffic is controlled on Bristol Road, the reason for the recommendation to remove one of the Guards. She further advised that the Site Inspection Team had recommendation a re-inspection in September with the possibility of removing the second Guard. Mr. Brown suggested that the Ward Councillor be invited to attend a re-inspection of this location.

RECOMMENDATION:

1. That the Crossing Guard be removed at the intersection of Central Parkway East and Bud Gregory Boulevard for the students attending St. Pio of Pietrelcina Catholic School, 4765 Huron Heights at the end of June 2007 as the warrants are no longer met.
2. That the Principal of St. Pio of Pietrelcina Catholic School be requested to encourage a buddy system for younger students to walk with older students and suggest that students cross Central Parkway East at Laurentian Avenue.
3. That the Site Inspection Subcommittee of Traffic Safety Council be requested to inspect the Crossing Guard warrants at the intersection of Laurentian Avenue and Central Parkway West for the students attending St. Pio of Pietrelcina Catholic School, 4765 Huron Heights.

Councillor Dale requested the Committee's consideration to deferring parts 1 and 2 of the recommendation at this time to provide him the opportunity to meet with the Principal of St. Pio of Pietrelcina Catholic School to discuss the buddy system and whether or not the Principal feels that is a possibility. The Councillor suggested that this matter be brought forward at the June Traffic Safety Council meeting. Trustee Anna Abbruscato advised that she did not attend this site inspection because she was not informed. The Committee Coordinator advised that she would be notified of future site inspections in Ward 4.

Councillor Dale moved deferral of part 1 and 2 of the recommendation and part 3 was approved. This motion was voted on and carried.
