The following recommendation emanated from the Minutes of the Public Information Subcommittee meeting held on June 26, 2007:

### Recommendation:

That the "Some Parents Can be the Problem - All Parents Can be the Solution" pamphlet as amended by Traffic Safety Council at its meeting on June 27, 2007 be approved pending approval from the Peel Regional Police.

Louise Goegan outlined the changes that were made to the new warning pamphlet. Ms. Goegan advised that the pamphlet could be added to the Traffic Safety Council website. Sheelagh Duffin suggested that Parking Enforcement may want to include the warning pamphlet on their web site as well and that the Crossing Guards would use them.

Jim Wilde expressed concern with the wording "Drop children off on the school side of the street" on the warning pamphlet as it may discourage parents from using the Kiss & Ride. Members of the Committee agreed that the statement should be reworded.
