Mr. Wilde suggested that a letter from Traffic Safety Council be sent to the School Boards in the fall to remind them of this issue. The Committee agreed and the Clerk's Office will prepare the letter in the fall.

The question was raised as to when this re-inspection would take place and it was decided that rather than wait for all the items to be done, that a re-inspection should take place in the fall 2007. Kamal Jolly moved the motion, as amended, which was voted on and carried.
