

# Buzz's Clues for the Dangers Around the House

## Top Floor

### Child's playroom/bedroom

- 1) Look for what we are told always to pick up and put away after we are finished playing with them.
- 2) Look for where we put our toys when we are finished playing with them.
- 3) Look for the item we sit on.
- 4) Look for the part of our house we look through in order to see outside.

### Bathroom

- 1) Where do we go to get clean?
- 2) Where do adults store medicines?
- 3) What do we turn in order to get water to brush our teeth?
- 4) What do we use to dry our hair?

## MAIN LEVEL

### Living room

- 1) Look for the cord to the item that gives us light.
- 2) What can also keep us warm in winter?
- 3) We use these to store items such as pictures and book.
- 4) Where would you plug in a lamp?

## Kitchen

- 1) Where do we make some of our meals?
- 2) What item is really sharp?
- 3) If you have a pet they will like this.
- 4) Where do adults store the chemicals that keep our homes clean?

## Lower Level

### Basement

- 1) What is the main item of the home that gives it power?
- 2) What makes our home different colours?
- 3) What makes our clothes clean?
- 4) What do adults use to fix our home?

### Garage

- 1) What do adults use to catch mice?
- 2) What tools do we use in our gardens?
- 3) What makes the pool water safe to swim?
- 4) What can adults use to take us on trips?
