

“Cabin in the Woods”

Help Save The Port Credit Log Cabin Move it to Bradley Museum

Thank you for your interest and support. The Museums of Mississauga, in partnership with The Mississauga News and the 4th Port Credit Scouts are raising \$150,000 to move the cabin and restore it so that the general public can have year round access.

- Imagine meetings, receptions or weddings in the cabin
- Imagine sleep overs in the cabin for Girl Guides, Scouts or School Groups

These are just some of the future uses planned for this wonderful building.

May we count on your support? Tax receipts can be issued for donations over \$25. Make cheques payable to Bradley Museum-City of Mississauga.
