

Erin Meadows Library presents

The ELEMENTS OF hiphop evolution

Join professional DJs, Bboys, and MCs for an experience on the history and elements of hip-hop.

HipHop started on the streets on New York and has become a worldwide phenomenon that gives a voice to new generations. Marcel de Costa and the Ground Illusionz Crew, with DJs from Mississauga & Toronto, will show you where HipHop came from, how it evolved, and what it has become today.

Erin Meadows Library
