Policy No. 10-06-09
Page 1 of 1
Effective Date 1975 07 28
Supersedes

TAB: ROADS AND TRAFFIC
SECTION: ROAD CONSTRUCTION AND MAINTENANCE
SUBJECT: DRIVEWAY RAMPS/WEDGES

POLICY STATEMENT The City of Mississauga does not allow the placement of wedges in gutters adjacent to private driveways.

PURPOSE Some residents feel that these wedges provide an improved access over the old roll type of curb that exists in various sections of the City; however the installation of wedges (asphalt or otherwise) is not permitted as they interfere with normal drainage and winter snow operations.

The roll type curbs are eliminated at driveways, at no cost to the homeowner, when a street is reconstructed, during roadway rehabilitation, or when maintenance work requires replacement of the curb.

For individual requests for driveway curb improvement, refer to Corporate Policy and Procedure - Curb Improvement Program.
