Supersedes

TAB: ROADS AND TRAFFIC
SECTION: ROAD CONSTRUCTION AND MAINTENANCE
SUBJECT: CURB IMPROVEMENT PROGRAM

POLICY STATEMENT Funds are allocated each year, through the current budget process, to partially pay for driveway improvements where the old roll type curb exists.

COSTS Residents are required to pay for necessary curb cut, at a fee as established in the City's Fees and Charges By-law.

The City absorbs expenses for re-paving the portion of the driveway that exists between the curb and the sidewalk. Budgeted funds are used on a “first-come, first-served” basis.

REQUEST FOR CURB IMPROVEMENT Residents may apply for a curb improvement at the Engineering Counter, Transportation and Works Department. All fees must be paid at the time of application.
