Admission Guidelines

- All children 5 years of age and under must be directly supervised (within arms reach), regardless of swimming ability, by a guardian who is a minimum of 14 years of age. Maximum of 2 children per guardian.
- Children between the ages of 6 and 9 who cannot complete the **swim test** (*see below*) must be supervised (able to render assistance) by a guardian who is a minimum of 14 years of age. Maximum of 4 children per guardian. Parent/guardian(s) must be present for the swim test. If a child fails, the parent/guardian must remain on deck (able to render assistance.) HIGHLY RECOMMENDED: parent/guardian remain in the facility even if the child passes the swim test.
- Ratios for children 6 to 9 yrs may be increased to 1 guardian for 8 children if all are wearing approved Personal Flotation Devices. The guardian must be in the water able to render assistance.
- **Swim Test:** Participant must be able to swim 2 widths of the pool, uninterrupted and without touching the bottom of the pool. Participant cannot stop at any point during the swim except for the end. Any participant of any age may be asked to perform a swim test before entering the deep end and/or to determine whether or not a guardian is required for supervision.
