Mississauga’s Cycling Network

The city of Mississauga is committed to providing safe cycling routes for all users.

Ontario’s Bicycle Helmet Law

In Ontario, everyone, regardless of age, must wear a bike helmet that is approved by Transport Canada. Be sure to always check for the bike helmet approval mark on your helmet. Failure to wear a bike helmet while cycling is an offence that could result in a fine.

The Ontario Helmet Safety Act requires all riders to wear an approved bike helmet, with a few exceptions: children under the age of 11 who ride bikes with training wheels, and individuals with medical conditions that prevent them from wearing a helmet. The act also requires all helmeted riders to be visibly identifiable as such by wearing a helmet or a visible identifier or by displaying the helmet’s approval mark while cycling.

Signals to Indicate Turns

For your safety, please be aware of the signals that cyclists use to indicate their intention to turn.
