8. **CORPORATE REPORTS**

R-1 **Union Station to Pearson Rail Link Project – Property Requirements and Status Update**

Report dated May 10, 2010 from the Commissioner of Transportation and Works with respect to property requirements for the Union Station to Pearson Rail Link Project.

Martin Powell, Commissioner of Transportation and Works spoke to proposed amendments to the staff recommendation which ensured that the parties were properly identified, and added "Fair" to market value. He advised that a road will be closed and another will be shortened to accommodate the proposed maintenance facility.

MOTION:

0122-2010 Moved by: E. Adams Seconded by: M. Prentice

1. That staff be directed to undertake the necessary actions to:
 - a) circulate and give notice in preparation for the proposed closure of the municipal road allowances, being the turning circles of Northwest Drive and Dorman Drive, located in the City of Mississauga; (see Appendix 1)
 - b) report back to Council seeking authorization to close these portions of road allowance and to declare surplus those lands identified as being required by Union Pearson Airlink Group (“UPAG”), a wholly owned subsidiary of SNC-Lavalin Group, in connection with the Union Station to Pearson Airport Rail link; and,
 - c) negotiate with the Greater Toronto Airports Authority (“GTAA”) for the sale by the City to the GTAA of the surplus lands, at fair market value, in accordance with applicable City bylaws and policies and Municipal Act provisions (with the funds for such transaction to be provided by UPAG); including but not limited to the giving of notice to the public of the proposed closure and surplus declaration for the purpose of disposal by the City.
2. That staff be directed to negotiate the acquisition of lands by the City from Transport Canada (subsequent to a surrender of such lands by the GTAA to Transport Canada under its ground lease), at fair market value, required to complete the new turning circle on Dorman Drive (see Appendix 1) as a

result of the proposed closure and sale of the existing turning circle as contemplated in Recommendation 1 of this report, and to enter into an appropriate agreement with Transport Canada for the acquisition of the lands in accordance with Bylaw 0375-2008, and in a form satisfactory to Legal Services.

3. That staff be directed to enter into negotiations with UPAG and to enter into encroachment agreements with UPAG on behalf of the City, at fair market value, relating to the aerial sections of the Union Station to Pearson Airport Rail link which will cross over Goreway Drive, Zahavy Way and Viscount Road (see Appendix 1), in a form satisfactory to Legal Services and the Commissioner of Transportation and Works Department, and in accordance with Bylaw 0375-2008.

- R-4 Potential Fine Particulate Matter (FPM) By-law for Mississauga

Corporate Report dated May 13, 2010 from the Commissioner of Community Services with respect to potential fine particulate matter.

Councillor Pat Mullin introduced two motions with respect to the matter.

Councillors expressed support for Councillor Mullins initiatives in respect of the matter.

Councillor George Carlson requested that the matter be forwarded to the Environmental Advisory Committee for information.

MOTION:

0123-2010

Moved by: P. Mullin

Seconded by: C. Parrish

WHEREAS the Ministry of the Environment (“MOE”) has determined through the Clarkson Airshed Study that the air quality in the airshed, is at times, “taxed” or compromised with respect to elevated levels of PM 2.5;

AND WHEREAS on February 1, 2010 the Town of Oakville adopted By-law No. 2010-035, described as “A by-law to assess and control the health effects of major emissions of fine particulate matter in the Town of Oakville”, and which by-law regulates facilities within the Town that emit more than a negligible quantity of PM 2.5, or any one of the precursor pollutants;

AND WHEREAS the Town of Oakville has submitted a comprehensive formal request, under the Environmental Bill of Rights, 1993, to the Environment Commission of Ontario for consideration by the Minister of the Environment of a new air pollution act or regulation that focuses on PM 2.5;

AND WHEREAS a response from the MOE to Oakville’s request for a new act or regulation is expected on or about June 15, 2010;

AND WHEREAS PM 2.5 is best regulated at the provincial level, where the MOE already has in place the expertise and the infrastructure through the Certificate of Approval process to regulate air emissions;

AND WHEREAS the City of Mississauga is concerned that without Provincial regulation of PM 2.5, a patchwork of municipal by-laws may be adopted across the Province that would be based on varying levels of expertise and municipal resources and which would lead to a series of different regulatory regimes across the Province making it difficult, if not impossible, for residents, industry and regulators to properly understand what is needed to comply with all of the varying regulations and the impact of PM 2.5 on ambient air quality;

NOW THEREFORE BE IT RESOLVED THAT:

1. That Council support the Town of Oakville in its request for a provincial regulation to protect public health from PM2.5 emissions and so advise the Premier of Ontario, the Ontario Minister of the Environment, the Environmental Commissioner for Ontario, the Ontario Minister of Energy and

Infrastructure, all local Members of Provincial Parliament (MPP's) for Mississauga and the Association of Municipalities of Ontario (AMO).

AND WHEREAS Commissioner of Community Services has prepared a Corporate Report for Council dated May 13, 2010, entitled "Potential Fine Particulate Matter (FPM) By-law for Mississauga";

AND WHEREAS the City Solicitor has prepared an In Camera Corporate Report dated May 20, 2010, entitled "Town of Oakville – Fine Particulate Matter By-law";

AND WHEREAS it would be beneficial for Council to have the report from the Task Force and the response from the MOE when it is considering the May 13, 2010 Corporate Report and the May 20, 2010 In Camera Corporate Report;

NOW THEREFORE BE IT RESOLVED THAT:

1. WHEREAS City Council at its meeting of September 27, 2002 directed staff to amend the property standards by-law number 654-98 to incorporate a requirement that vacant or partially vacant or abandoned buildings or structures be boarded up in appropriate circumstances and that standards for boarded up buildings and structures be established, and secondly that the Minister of Municipal Affairs and Housing be provided with a copy of the City Solicitor's report of September 11, 2002 titled "Boarded Up Buildings" and be requested to amend the Building Code Act, 1992 to incorporate into that legislation the authority given the City of Winnipeg to govern, prohibit and regulate the boarding up of buildings and structures as part of a property standards by-law; and

WHEREAS the property standards by-law has been amended as directed by Council however, this action alone has not been sufficient to respond to the problem of boarded up buildings; and

WHEREAS staff have met with officials from the Ministry of Municipal Affairs and Housing to discuss Council's resolution and Ministry staff were not supportive of the need for legislation in this respect; and

WHEREAS experience shows that boarded up buildings can remain an eyesore for several years during which the municipality has no effective legislative tool to respond where the buildings are structurally sound;
