from Budget Committee**

---

In response to the items raised during the presentation of the Culture Division budget to Budget Committee on January 18, 2011 I offer the following information.

Request/Item	Response
Councillor Saito requested that Mayor approach the Ministry for ISF funding for new lighting at the Meadowvale Theatre	It is my understanding this has been done and we are now awaiting the Ministry's decision.
Councillors Pat Mullin and Ron Starr spoke to retaining the horse and cart rides at Museum events, with suggestion to charge a fee for this ride to offset that cost.	Staff confirm a fee is charged for these rides. Staff are seeking sponsorships and grants to offset costs.
Mayor McCallion suggested coordination of events between Civic Square and LAC	The LAC Study will address this issue. The draft report is expected to be presented to council in mid February.
Councillor Saito suggested purchase of a few Mobile Signs, as well as approaching Region of Peel for assistance with administration and set up of Mobile Signs	Staff will work with their colleagues at the Region and in Planning and Building to review this suggestion.
Mayor McCallion requested a report about the benefits to the municipality resultant of cultural attributes and filming projects, etc., as well as revenues.	Staff will anticipate providing a report to council the end of April
