Mississauga Library System • The Library News

MISSISSAUGA
Leading today for tomorrow

Attention all adventurers! Get ready to travel to places you've only seen in your imagination. Together we'll explore the limits of space and time, discover long lost cities and civilizations, and encounter creatures you've only read about! Register for this adventure by visiting your local library and receive your travel kit which includes a poster and activity book. Or simply log on to the Library's website at <http://www.mississauga.ca/summerreadingclub>. Join the fun and attend weekly meetings at the libraries where there will be crafts, games and activities. Also, be sure to share your favourite books on our on-line reading club. The adventure begins this summer on Saturday, June 30, 2012 at your local Mississauga library.

Drop-in Programs

Storytimes feature stories, songs, and rhymes for children and their caregivers. Programs run at various times for various age groups throughout the summer. All drop-in programs are

free, and filled on a first-come, first-served basis. Please be advised that space is limited at all these programs. We regret that due to demand, program spaces may be limited to children only; check with your local library regarding specific program details.

Registered Programs

Registration begins at all locations starting Saturday, June 9, 2012 unless otherwise indicated. For professional performances, children under five years of age must be accompanied by a paying adult; admission for infants is free. Please note that parents are responsible for their children's supervision at all times in the Library. **Where applicable, PLEASE REGISTER EARLY as space is limited in all programs; registration fees are non-refundable.** Library programs are for everyone – if a participant requires personal support in order to participate, a support person will be admitted into the program at no charge.

READY, SET, READ!

Summer Reading Program

The Library, with its partner the Dufferin Peel Catholic District School Board, offers a six week program for children in Grades 1-3 and their parents /caregivers. The Ready, Set, Read Program:

- continues to sustain children's reading development over the summer months by providing access to quality authentic literature at students' independent levels
- provides a structure for student reading, application of reading comprehension strategies and response activities
- models and demonstrates quality read aloud sessions by certified teachers
- facilitates parent support through the Parent Tool Kits and participation in the Read Aloud sessions

For dates, days and times or for more information, please call your local library.

Burnhamthorpe Library 905-615-4635
