8. School Zone Safety (Kiss & Ride) Report – October/November 2008

RECOMMENDATION:

That the School Zone Safety (Kiss & Ride) Report for the months of October/November 2008 be received for information.

Jim Wilde advised that he conducted an inspection at Bristol Road Middle School, 210 Bristol Road East to review the Kiss & Ride area. He further advised that he observed problems with traffic in the parking lot and that late parents worsened the traffic situation in the Kiss & Ride area. Doug Fryers commented if anything could be done if parents are not permitted to park on the school property or on the street. Councillor Sue McFadden noted that schools are in walking distance for a majority of students, but some parents choose to drive their children to school. David Brown, Chair commented that Traffic Safety Council needs to focus on the walking school routes program to change the behaviour of some parents and their way of thinking.

Mr. Wilde advised that he met with Dave Marcotte, Peel District School Board and the Principal at Port Credit Secondary School, 20 Mineola Road East to discuss possible modifications to the driveway to implement a formal Kiss & Ride area. He further advised that modifications to the driveway should be implemented at the school in Spring 2009.

12. Proposal to Promote the Mandate of Traffic Safety Council

Letter dated October 22, 2008 from Doug Fryers proposing to start a program that would involve visiting with schools to discuss traffic safety issues and attending safety shows to promote Traffic Safety Council and its mandate.

Doug Fryers advised that some people are not aware of what Traffic Safety Council does and suggested that a program be initiated where members could go into Mississauga schools and talk to the students and staff. He further suggested that Traffic Safety Council could participate in Police Safety Week. David Brown, Chair commented that opportunities are always available for Traffic Safety Council to visit schools and noted that it would be important that there would be interest in this program. Anna Abbruscato, Trustee, Dufferin-Peel Catholic District School Board advised that there is a CCCSAC spring training and marketplace that takes place at St. Francis Xavier Secondary School, 50 Bristol Road West. She advised that Traffic Safety Council may be able to introduce the idea at this meeting to gauge interest as school council members and principals attend these meetings. The Chair suggested that this matter could be referred to the Public Information Subcommittee for further review.

Councillor Frank Dale moved the following motion, which was voted on and carried:

RECOMMENDATION:

That the letter dated October 22, 2008 from Doug Fryers proposing to start a program that would involve visiting with schools to discuss traffic safety issues and attending safety shows to promote Traffic Safety Council and its mandate be received and referred to the Public Information Subcommittee of Traffic Safety Council to review and report back to Traffic Safety Council.

15. Site Inspection Report – McKinnon Public School (Ward 10)

Site Inspection Reports for the inspections conducted on November 13, 2008 and November 20, 2008 to review the warrants for a Crossing Guard at the intersection of Tacc Drive and Trailbank Drive.

Boris Swedak suggested that the recommendation include that a continuous concrete sidewalk be constructed on the south side of Tacc Drive west of McKinnon Public School. There was a general consensus from the committee members that the recommendation should be amended to include Mr. Swedak's suggestion.

Councillor Sue McFadden moved the following amended motion, which was voted on and carried:

RECOMMENDATION:

1. That a Crossing Guard be implemented at the intersection of Tacc Drive and Trailbank Drive for the students attending McKinnon Public School, 3270 Tacc Drive as the warrants have been met.
2. That Transportation & Works be requested to install No U-turn signs in front of McKinnon Public School, 3270 Tacc Drive.

18. Site Plan SP 08/202 W9 – Meadowvale First Baptist Church (Ward 9)

Report dated October 30, 2008 from the Site Plan Review Subcommittee with respect to the Site Plan SP 08/202 W9 – Proposed Outdoor Play Structure at Meadowvale First Baptist Church, 6630 Turner Valley Road.

David Brown, Chair explained that students at the school would cross the driveway to get to the newly installed structure. Therefore, the Site Plan Review Subcommittee found it necessary to recommend that the students be supervised during this time and that a gate be installed around the play structure due to its proximity to the parking lot.

RECOMMENDATION:

That the Commissioner of Planning and Building be advised that with respect to the Site Plan SP 08/202 W9 – Proposed Outdoor Play Structure at Meadowvale First Baptist Church, 6630 Turner Valley Road, that Traffic Safety Council has reviewed the site plan submitted on October 23, 2008 and is satisfied subject to the following:

1. That written confirmation be provided to Traffic Safety Council confirming that the area between the school and the playground will be supervised by staff when students are accessing and leaving the playground.
2. That a self-closing gate be installed at the entrance/exit of the playground.

20. Transportation and Works Department – Action Items (September 2008)

Report dated September 2008 from the Transportation and Works Department advising of the actions taken regarding recommendations from Traffic Safety Council.

Peter Westbrook enquired about the recommendations made for Riverside Public School at a previous Traffic Safety Council meeting with respect to the CN Railway underpass on Mississauga Road. Andy Bate, Supervisor, Traffic Operations advised that mirrors would not be installed on the underside of the existing bridge as it may give someone a false sense of security and it could become a liability issue.

RECOMMENDATION:

That the report dated September 2008 from the Transportation and Works Department advising of the actions taken regarding recommendations from Traffic Safety Council be received for information.
