NOTICE OF STUDY COMMENCEMENT AND PUBLIC INFORMATION CENTRE #1

Region of Peel 2012 Water and Wastewater Master Plan for the Lake-Based Systems

The Study

The Region of Peel has initiated a Water and Wastewater Master Plan for its lake-based systems (where Lake Ontario is the source of drinking water and the discharge point for treated wastewater) to update the current 2007 Master Plan.

The objective of the study is to identify long-term servicing plans for the Region's lake-based water and wastewater systems to support growth to 2031 and to consider longer-term servicing needs for growth beyond 2031.

The plans will accommodate the 2031 targets set out in the Places to Grow Plan (2005).

The study area for the 2012 Water and Wastewater Master Plan includes the City of Mississauga, the City of Brampton and parts of the Town of Caledon.

The study will also review the Region's capital plan to meet the current servicing agreements with York Region and the City of Toronto.

The Process

The study will define existing problems and opportunities, consider and evaluate solutions and identify preferred water and wastewater servicing strategies. The study follows the master planning process of the Municipal Engineer's Association. The Master Plan will follow Approach #2 which will fulfill the requirements for Schedule A, A+, and B projects and become the basis for future investigations for specific Schedule C projects.

Public Consultation

The Region wishes to ensure that anyone with an interest in this study has the opportunity to be involved and to provide input. Opportunities for input will include Public Information Centres (PICs) as well as direct consultation. The PICs will be held at key points during the study to present the study findings to date and gather feedback. Representatives from the Region and its consultants will be present at the PICs to answer questions and discuss the next steps in the study.

There will be two separate sessions held for the first PIC, scheduled as follows:

Date: Tuesday, February 14, 2012
Time: 4:00 to 7:00 p.m.
Location: Region of Peel Head Office
10 Peel Centre Dr., Brampton
Mississauga Room (1st Floor, Suite A)

Date: Thursday, February 23, 2012
Time: 6:30 to 9:00 p.m.
Location: Mississauga Seniors' Centre
1389 Cawthra Rd., Mississauga

If you have any questions or comments or wish to obtain more information, please contact:

For water-related questions or comments:

Mr. Martin Pendlebury, P.Eng.

Project Manager, Water

The Region of Peel

10 Peel Centre Dr., 4th Floor Suite A

Brampton, ON L6T 4B9

905-791-7800 ext. 4548

Martin.Pendlebury@peelregion.ca

For wastewater-related questions or comments:

Ms. Kolsoom Motamedi, P.Eng.

Project Manager, Wastewater

The Region of Peel

10 Peel Centre Dr., 4th Floor Suite A

Brampton, ON L6T 4B9

905-791-7800 ext. 4196

Kolsoom.Motamedi@peelregion.ca

This notice was first issued on February 8, 2012

With the exception of personal information, all comments will become part of the public record of the study. The study is being conducted according to the requirements of the Municipal Class Environmental Assessment, which is a planning process approved under Ontario's *Environmental Assessment Act*.
