

Where Pet Licence Fees Go

All pet licence fees go directly towards the shelter to help more than 3,000 animals that are lost, homeless or abandoned each year in Mississauga, including:

- Caring for and feeding homeless pets.
- Returning lost pets to their homes.
- Providing veterinary services to animals in our care.
- Rescuing sick, injured domestic animals and wildlife.
- Providing 24/7 emergency animal rescue services.
- Investigating animal care issues.
- Keeping neighbourhoods safe for people and pets.
- Conducting community education programs.

Thank you for helping shelter animals, like me, and for being a responsible pet owner!

Protect Your Pet with a Pet Licence

- A licence visible on your pet's collar is the fastest way to contact you 24/7 if your pet has been found.
- A pet licence is immediately visible to anyone who finds your pet and shows your pet has a home.
- A pet licence is vital identification while keeping personal information private.
- In many cases, a licensed pet can be returned home immediately without having to stay at the shelter, saving you money and reducing stress on your pet and your family.
- Up-to-date pet licences help emergency services in pet rescues or emergency evacuations.
- Free Ride Home (applies to waiving a first time impound fee)
