Animal Services Volunteers enrich the lives of our adoption pets daily by walking, grooming and socializing dogs, cats and pocket pets. Animal experience is an asset, however, not a requirement.

If you are able to make a six month commitment, have some free time on weekdays and are looking for a rewarding volunteer experience, please complete the information below and contact the Volunteer Coordinator at 905-896-5858, option 2. See the details at the bottom of this form to submit your application by mail, fax, or email.

IMPORTANT NOTE:

Volunteers are not covered under WSIB. Please remember that we do not have a medical history on our foster animals and some may carry illnesses or parasites that could be transmitted to your pet or your family. Although foster care can be a very rewarding experience it can also be difficult should an animal become critically ill as they may have to be euthanized for humane reasons.
