- 5.3. Michael Foley, Manager, Mobile Licensing Enforcement provided a verbal update with respect to the TNC Pilot Project.

Mr. Foley provided a general update on this matter and spoke to the current status of the project, noting that auditing had commenced on both Uber and Lyft and further noted that both companies had been compliant with reporting to date. Al Cormier, Citizen Member inquired whether the majority of TNC trips were considered as new business, to which Mr. Foley noted that statistically, the results appeared as such but that the accuracy of the data pertaining to new business specifically was difficult to assess. Baljit Singh Pandori, Taxicab Brokerages Representative inquired about the number of trips acquired by TNCs, to which Mr. Foley advised that the City is unable to divulge data pertaining to specific services. Furthermore, Mr. Foley noted that it was projected that the study would be completed on time.

- 5.4. Tejinder Singh Gill, Taxi Industry spoke regarding his written submission, being a request to amend By-law 420-04, as amended, to eliminate the maximum number of taxi plates that a plate owner can possess.

Mr. Singh Gill requested that the current Public Vehicle Licensing By-law 420-04, as amended be further amended to remove the maximum taxi plate limitation. Michael Foley, Manager, Mobile Licensing Enforcement indicated that M. Singh Gill's request would be considered within the TNC Pilot Project final report.
