## Administration

The decision as to where advertising will be permitted (i.e. on which City Property, at which City Programs and in which City Media) is the responsibility of the applicable departmental business section that manages the particular City Property, City Program and/or City Media in question. The applicable departmental business section is also responsible for administering such requests or offers of advertising in accordance with this policy.

Advertising agreements, which must be in a form satisfactory to Legal Services, are managed by the business section that enters into the agreement. The following persons are authorized to execute advertising agreements on behalf of the City:

Total Value of Contract	Signing Authority
Less than \$5,000	Staff delegated by the Departmental Director and with authority to manage cost centres, or their designate in writing

Council must approve any advertising agreements that grant naming rights to a City Program. In order for the City to ensure that all advertising complies with this policy, requests for placement of non-English language advertising must be accompanied by an English translation of the ad content.

## Advertising Review

Requests for reviews related to advertising at the City will be directed to the Panel. The Panel will review advertising when:

- City staff have declined an advertising submission and the advertiser requests a review of the decision
- Questionable advertising submissions, which will include a staff recommendation on approval or disapproval of the advertising, are referred to the Panel by City staff
- A minimum of five Mississauga residents disagree with the City's decision to approve advertising and request a review by the Panel, or
- The Mayor or a member of Council requests a review by the Panel of advertising that has been approved by City staff

At the conclusion of the review process the Panel will:

- Approve the advertising as submitted, or
- Not approve the advertising

The decisions of the Panel will be final and binding. If the Panel does not reach a decision on an ad that is submitted for review within the timeframe prescribed in the Panel's Terms of Reference, the decision or recommendation of City staff, as applicable, will continue to apply.
