We recognize these peoples and their ancestors as peoples who inhabited these lands since time immemorial. The City of Mississauga is home to many global Indigenous Peoples.

Overview

The Community Grant Program provides funding to not-for-profit/registered charity, community organizations that are registered in the City of Mississauga's [Community Group Registry Program](#) and supports them to deliver programs and services that keep Mississauga residents active, healthy and engaged in their communities.

The Community Grant Program aligns with the [2024 Future Directions: Recreation Plan](#) and [2024 Future Directions: Parks, Forestry & Environment Plan](#)'s strategic priorities. Read the [full plans here](#) for more information to help construct a grant proposal.

Annual grants are available to provide up to \$10,000 or up to 65% of an organization's total operating budget (whichever is less) to support project or program-related expenses for organizations that extend the variety and choice of programs and services for Mississauga residents and can be delivered successfully within one calendar year.

Multi-year grants are available by invitation only for established organizations that have successfully managed funding from the City for a minimum of 5 years.

Application deadline

All applications must be complete and submitted online through the City's [Grants Portal](#) no later than **Friday, October 9, 2026 by 4:30 p.m. EST**. Late or incomplete applications, including applications not submitted correctly through the grants portal, will not be accepted.

For questions or application support, please contact grantsinfo@mississauga.ca.

About the Community Group Registry Program (CGRP)

The CGRP supports not-for-profit community groups governed by volunteers that deliver programs and services within Mississauga that benefit residents. The CGRP's benefits complement grant funding by reducing costs to help organizations maximize their community impact. Becoming a registered group gives you access to:

- Discounts to rent space at City facilities;
- Permission to place promotional mobile signs next to City roads;
- General liability insurance through the City's affiliate insurance program, if eligible;
- Community grants and funding.

Groups can apply any time by completing a [Statement of Interest](#) to begin the application process and staff be in touch directly regarding next steps. The benefits can be accessed year-round.

To be eligible for a Community Grant, applicants must be registered and in good standing with the Community Group Registry Program. If your organization is not already registered,

you must complete a Statement of Interest by **Friday, September 25, 2026**. For more information, please consult the [Community Group Registry Program webpage](#) or contact community.group@mississauga.ca.

Groups on support with conditions will receive coaching and guidance from staff and may be asked to provide interim information during the grant period or have additional requirements attached to the release of grant funds.

Payment

All grant payments are issued via electronic funds transfer (EFT). To receive funding, new grant recipients must complete a vendor request and EFT form.

Grant recipients will receive both documents via email upon recommendation of the grant and must email the completed forms to grantsinfo@mississauga.ca. Grant recipients must have a bank account under the organization's name on the application form.

The City will not distribute grants to personal bank accounts or bank accounts of other organizations. Existing grant recipients who have not completed an EFT form must also complete and submit one. Existing grant recipients with any changes to their contact information must also submit an updated vendor request form with contact information that matches their 2027 application. Please note: applications may be approved for less than the maximum grant amount and less than requested.

The total funding amount is awarded in one payment upon Council's approval. Although the City aims to distribute funding in a timely manner, please note that the City cannot guarantee the delivery of funds by a specific date.

Note: All funding is contingent upon Council's approval. The City reserves the right to adjust payments after approval is received, if changes to the budget are requested.

Additionally, the City does not fund retroactively. If groups choose to commit funds before the approval of a grant application, the City is under no obligation to provide funding.

The final report will capture all funded activity that occurred throughout the calendar year of 2027.
