I _____ hereby notify the City of Mississauga, Planning and Building Department that the site works as shown on the approved drawings have been completed to our satisfaction. As part of this inspection, we have verified with the owner the installation of:

- Parking stalls and painted lines
- Accessible parking stalls
- Accessible parking stall signage (Bylaw 10-2016)

We understand that the completion of the above noted items prior to the inspection will expedite site works approval. We therefore request a site inspection by the City of Mississauga for approval of the site works.
