**NOTICE OF THE PASSING OF
AN OFFICIAL PLAN AMENDMENT AND A ZONING BY-LAW**

DATE OF NOTICE	March 11, 2021	
OPA NUMBER	OPA 110 (By-law 0049-2021)	
ZONING BY-LAW NUMBER	0050-2021	
DATE PASSED BY COUNCIL	March 03, 2021	
LAST DATE TO FILE APPEAL	March 31, 2021	
FILE NUMBER	OZ 18/011	Ward # 5
APPLICANT	Pinnacle International (Ontario) Ltd.	
PROPERTY LOCATION	Northwest quadrant of Hurontario Street and Eglinton Avenue West, in the City of Mississauga	

TAKE NOTICE that on March 03, 2021 the Council of the Corporation of the City of Mississauga passed the above noted Official Plan Amendment OPA 110 and Zoning By-law, under Section 17 or 21 of the Planning Act, R.S.O., 1990, c.P.13, as amended.

THE PURPOSE AND EFFECT of the Official Plan Amendment is to amend the Special Site 6 policies of the Uptown Major Node Character Area to increase the number of dwelling units, decrease the minimum and remove the maximum amount of retail commercial and office space, increase the permitted height of buildings and delete the floor space index (FSI) from the subject site.

The purpose of the Zoning By-law is to increase the maximum permitted height of an apartment from 25 to 35 storeys in Area 'A2', reduce the minimum gross floor area - non-residential from 4 770 m² to 900 m² in Area 'A2' and reduce the maximum floor space index from 5.19 to 4.8. This By-law amends the zoning of the property outlined on the attached Schedule "A" from "H-RA5-43" (Apartments - Exception with a Holding Provision) to "RA5-43" (Apartments - Exception). This By-law also removes the holding provision from the property outlined on the attached Schedule "A", as conditions to permit development have been fulfilled. Upon removal of the "H" provision, the "RA5-43" zone permits apartments of 34 and 25 storeys in Areas 'A1' and 'A2', respectively, requires 5 000 m² of non-residential uses and permits a maximum floor space index of 5.19. The "RA5-43" (amended) zone permits apartments of 34 and 35 storeys in Areas 'A1' and 'A2', respectively, requires 1 130 m² of non-residential uses and permits a maximum floor space index of 4.8.

The Zoning By-law shall not come into force until Mississauga Official Plan Amendment Number 110 is in full force and effect.

The decision of Council is final if a notice of appeal is not received on or before the last day for filing a notice of appeal.

IF YOU WISH TO APPEAL to the Local Planning Appeal Tribunal a copy of an appeal form is available from the LPAT website at olt.gov.on.ca. An appeal must be filed with the Clerk of the City of Mississauga, Attention: Diana Rusnov, 300 City Centre Drive, Mississauga, Ontario L5B 3C1 no later than **March 31, 2021**, by mail, courier, or in person by booking an appointment at <https://reservation.frontdesksuite.com/mississauga/reservation> and selecting Other Inquiries.

Only individuals, corporations and public bodies may appeal a by-law to the Local Planning Appeal Tribunal. A notice of appeal may not be filed by an unincorporated association or group. However, a notice of appeal may be filed in the name of an individual who is a member of the association or the group on its behalf.

No person or public body shall be added as a party to the hearing of the appeal unless, before the official plan amendment and/or by-law was passed, the person or public body made oral submissions at a public meeting or written submissions to the City of Mississauga Council or, in the opinion of the Local Planning Appeal Tribunal, there are reasonable grounds to add the person or public body as a party.

The Notice of Appeal must:

- 1) set out reasons for the appeal;
- 2) be accompanied by a fee in the amount of \$1,100.00 per application (as of July 1, 2020), payable to the Minister of Finance, and
- 3) be accompanied by a fee in the amount of \$300.00, payable to the City of Mississauga.
- 4) Four (4) copies of the appeal package.

Amendment No. 110

to

Mississauga Official Plan

By-law No. 0049-2021

A by-law to Adopt Mississauga Official Plan Amendment No. 110

WHEREAS in accordance with the provisions of sections 17 or 21 of the *Planning Act*, R.S.O. 1990, c.P.13, as amended, ("*Planning Act*") Council may adopt an Official Plan or an amendment thereto;

AND WHEREAS, pursuant to subsection 17(10) of the *Planning Act*, the Ministry of Municipal Affairs and Housing authorized the Regional Municipality of Peel ("Region" or "Regional"), an approval authority, to exempt from its approval any or all proposed Local Municipal Official Plan Amendments;

AND WHEREAS, Regional Council passed By-law Number 1-2000 which exempted all Local Municipal Official Plan Amendments adopted by local councils in the Region after March 1, 2000, provided that they conform with the Regional Official Plan and comply with conditions of exemption;

AND WHEREAS, the Commissioner of Public Works for the Region has advised that, with regard to Amendment No. 110, in his or her opinion the amendment conforms with the Regional Official Plan and is exempt;

AND WHEREAS, Council desires to adopt certain amendments to Mississauga Official Plan regarding Special Site 6 in the Uptown Major Node Character Area;

NOW THEREFORE the Council of The Corporation of the City of Mississauga ENACTS as follows:

1. The document attached hereto, constituting Amendment No. 110 to Mississauga Official Plan, is hereby adopted.

ENACTED and PASSED this 3rd day of march, 2021.

MAYOR

Signed 

CLERK

Amendment No. 110
to
Mississauga Official Plan

The following text attached constitutes Amendment No. 110.

Also attached but not constituting part of the Amendment are Appendices I and II.

Appendix I is a description of the Public Meeting held in connection with this Amendment.

Appendix II is a copy of the Planning and Building Department report dated August 14, 2020, pertaining to this Amendment.

PURPOSE

The purpose of this Amendment is to amend the Special Site 6 policies of the Uptown Major Node Character Area to increase the number of dwelling units, decrease the minimum and remove the maximum amount of retail commercial and office space, increase the permitted height of buildings and delete the floor space index (FSI) from the subject site.

LOCATION

The lands affected by this Amendment are located in the northwest quadrant of Hurontario Street and Eglinton Avenue West. The subject lands are located in the Uptown Major Node Character Area, as identified in Mississauga Official Plan.

BASIS

Mississauga Official Plan came into effect on November 14, 2012, save and except for the outstanding site specific appeals to the Local Planning Appeal Tribunal.

The subject lands are designated Residential High Density and are subject to Special Site policies. The policies permit apartment buildings with a maximum of 1 969 dwelling units, a minimum of 11 000 m² of retail commercial and office space, a maximum height of 34 storeys and a maximum FSI of 5.19 in Area 6A and 7.11 in Area 6B. The Character Area policies permit a maximum floor space index of 2.9.

An Official Plan Amendment is required to permit a maximum of 2 370 dwelling units, a minimum of 9 400 m² of retail commercial and office space, two 35 storey apartment buildings and one 38 storey apartment building, on Area 6A and 6B, respectively.

The proposed Amendment is acceptable from a planning standpoint and should be approved for the following reasons:

1. Major Nodes are intended to facilitate intensification through tall buildings, a higher density, and a mix of land uses.
2. The policies in Section 13.1.1.3 of Mississauga Official Plan for heights more than 25 storeys have been addressed. The use of podiums and the distribution of density on the site provide an appropriate transition to the surrounding neighbourhood.

DETAILS OF THE AMENDMENT AND POLICIES RELATIVE THERETO

1. Section 13.4, Uptown Major Node Character Area, of Mississauga Official Plan, is hereby amended by deleting the ***floor space index (FSI)*** ranges from the subject site on Map 13-4: Uptown Major Node Character Area in accordance with the changes to the Special Site Policies.
2. Section 13.4.4, Special Site Policies, Uptown Major Node Character Area, of Mississauga Official Plan is hereby amended by deleting Section 13.4.4.6.2 and replacing it with the following:

Notwithstanding the policies of this Plan, the following additional policies will apply:

- a. a maximum of 2 370 dwelling units will be permitted;
- b. a minimum of 9 400 m² of retail commercial and office space will be located within the first three floors of the buildings within Areas 6A and 6B;
- c. a maximum building height of 35 storeys will be permitted on the lands identified as Area 6A, and,
- d. a maximum building height of 38 storeys will be permitted on the lands identified as Area 6B.

IMPLEMENTATION

Upon the approval of this Amendment by the Council of the Corporation of the City of Mississauga, Mississauga Official Plan will be amended in accordance with this Amendment.

The lands will be rezoned to implement this Amendment.

This Amendment has been prepared based on the Office Consolidation of Mississauga Official Plan September 3, 2020.

INTERPRETATION

The provisions of Mississauga Official Plan, as amended from time to time regarding the interpretation of that Plan, will apply in regard to this Amendment.

This Amendment supplements the intent and policies of Mississauga Official Plan.

APPENDIX I
PUBLIC MEETING

All property owners within a radius of 120 m of the subject lands were invited to attend a Public Meeting of the Planning and Development Committee held on February 19, 2019 in connection with this proposed Amendment.

Two members of the public made deputations regarding the applications and comments received through correspondence and at the public meeting were generally directed towards increased density, traffic, and whether sufficient parkland will be available. These issues have been addressed in the Planning and Building Department report dated August 14, 2020 attached to this amendment as Appendix II.

PUBLIC MEETING RECOMMENDATION REPORT (WARD 5)

Official Plan amendment and rezoning applications to permit four condominium apartment buildings with heights of 32, 35, 35 and 38 storeys which will contain 1,355 apartment units and retail and office uses
 0 and 5044 Hurontario Street, northwest corner of Eglinton Avenue West and Hurontario Street

Owner: Pinnacle International (Ontario) Ltd.

File: OZ 18/011 W5

Recommendation

1. That the applications under File OZ 18/011 W5, Pinnacle International (Ontario) Ltd., 0 and 5044 Hurontario Street to amend Mississauga Official Plan (MOP) and to change the zoning as follows:
 - a. Amend Map 13-4 to delete the existing floor space index (FSI) range between 1.9 to 2.9;
 - b. Amend **Residential High Density – Special Site 6** of the Uptown Major Node Character Area to permit a maximum of 2,370 dwelling units, a minimum of 9 130 m² (98,274.5 ft²) of retail commercial and office space, building heights in excess of 34 storeys, and maximum floor space index (FSI) of 4.8 and 7.6 on 6A (north block, Phase 4, Parts 1 and 2) and 6B (south block, Phases 3 and 5), respectively;
 - c. Amend the **RA5-42, H-RA5-42, RA5-43 and H-RA5-43** zoning to permit four apartment buildings containing 1,355 units with heights of 32, 35, 35 and 38 storeys.

be approved subject to the conditions referenced in the staff report dated August 14, 2020 from the Commissioner of Planning and Building.

2. That the applicant agree to satisfy all the requirements of the City and any other external agency concerned with the development.
3. That the "H" holding symbols are to be removed from **H-RA5-42** and **H-RA5-43** (Apartments) zoning applicable to the subject lands, by further amendment upon confirmation from applicable agencies and City Departments that matters as outlined in the report dated August 14, 2020, from the Commissioner of Planning and Building have been satisfactorily addressed.
4. Notwithstanding subsection 45.1.3 of the *Planning Act*, subsequent to Council approval of the development application, the applicant can apply for a minor variance application, provided that the height and FSI shall not increase.

Report Highlights

- The applications are to amend the policies of the official plan and change the zoning by-law to allow for increased building heights and number of apartment units, and decreased non-residential uses
- The applicant has made revisions to the proposal to address issues raised at the Public Meeting and by staff, including reducing the number of proposed apartment buildings, reducing the proposed building heights, and decreasing the number of apartment units
- It has been concluded that the proposed development is supportable from a planning perspective
- Staff are satisfied with the changes to the proposal and find it to be acceptable from a planning standpoint, and recommend that the applications be approved

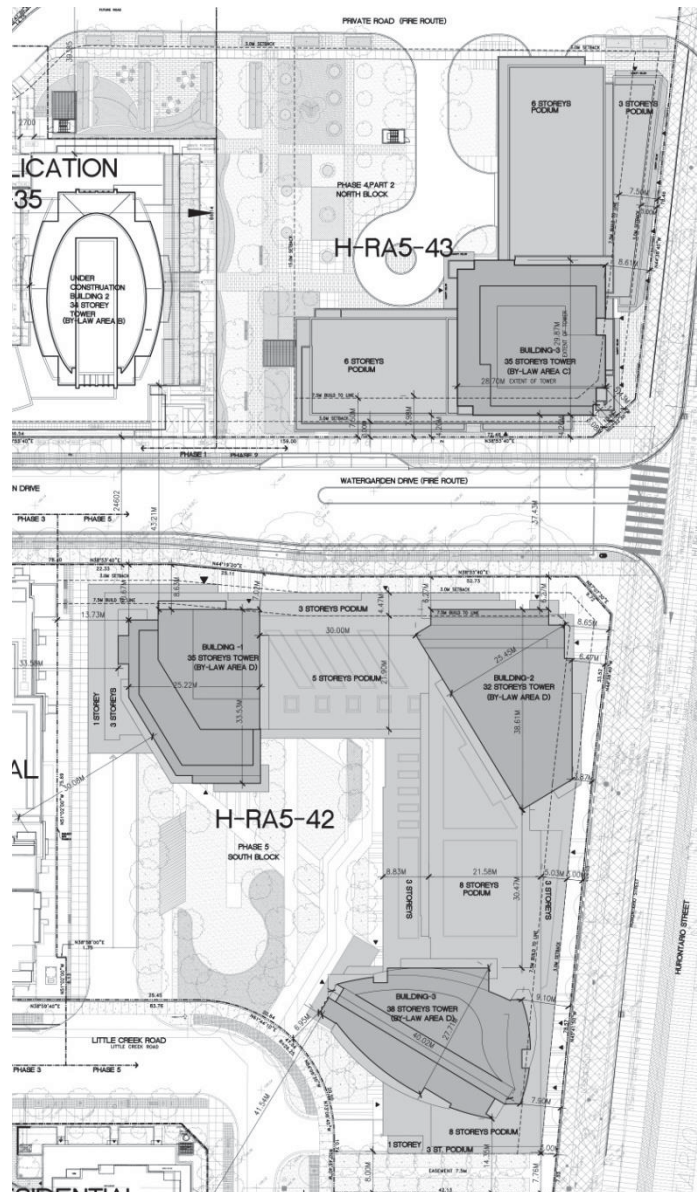

Background

A public meeting was held by the Planning and Development Committee on February 19, 2019, at which time an Information Report (https://www7.mississauga.ca/documents/committees/pdc/2019/2019_02_19_Afternoon_PDC_Agenda.pdf) was received for information. Recommendation PDC-008-2019 was then adopted by Council on March 6, 2019.

1. That the report dated January 29, 2019, from the Commissioner of Planning and Building regarding the applications by Pinnacle International (Ontario) Ltd. to permit five apartment buildings containing 2,095 units with heights of 30, 35, 38, 50, and 50 storeys with retail and office commercial uses in the podiums, under File OZ 18/011 W5, 0 and 5044 Hurontario Street, be received for information.
2. That two oral submissions made to the Planning and Development Committee at its meeting dated February 19, 2019, be received.

There were some technical matters that needed to be resolved before the Planning and Building Department could make a recommendation on the applications. Given the amount of time since the public meeting, full notification was provided.

The proposed development will consist of four condominium apartment buildings with heights of 32, 35, 35 and 38 storeys which will contain 1,355 apartment units and retail and office uses, as shown below:

Comments

REVISED DEVELOPMENT PROPOSAL

The applicant has made some minor modifications to the proposed concept plan including:

- Reduce the number of proposed apartment buildings from 5 to 4
- Reducing the proposed building heights from 30, 35, 38, 50, and 50 storeys to 32, 35, 35, and 38 storeys
- Decreasing the number of apartment units from 2,095 to 1,355
- Providing a commitment that approximately 5% (for a total of 20 units) of additional proposed units will be sold at or below the affordable price threshold, rented at an affordable rate (depth and duration of affordability to be determined) or that a financial contribution equivalent in value to this will be provided and be placed into a Housing Reserve Fund or a combination of these contributions be made and used for future affordable housing in Mississauga, which will be determined at the time of condominium registration
- Decreasing the minimum non-residential gross floor area from 10 230 m² (115,175 ft²) to 9 130 m² (98,274.5 ft²)

COMMUNITY ENGAGEMENT

Notice signs were placed on the subject lands advising of the proposed official plan and zoning change. All property owners within 120 m (393 ft.) were notified of the applications on January 24, 2019. Supporting studies were posted on the City's website at <http://www.mississauga.ca/portal/residents/development-applications>.

The public meeting was held on February 19, 2019. Two members of the public made deputations regarding the applications. Responses to the issues raised at the public meeting and from correspondence received can be found in Appendix 2.

No community meetings were held for the subject applications.

PLANNING ANALYSIS SUMMARY

The *Planning Act* allows any property owner within the Province of Ontario the ability to make a development application to their respective municipality in order to accommodate a particular development proposal on their site. Upon the submission of mandated technical information, the municipality is obligated under the *Planning Act* to process and consider the application within the rules set out in the Act.

The Province identifies through its *Provincial Policy Statement* matters that are of provincial interest, which require the development of efficient land use patterns and sustainability in urban areas that already exist. The Province has also set out the *Growth Plan for the Greater Golden Horseshoe*, which is designed to promote economic growth, increase housing supply and build communities that are affordable and safe, among other items. The Growth Plan requires municipalities to manage growth within already existing built up areas to take advantage of existing services to achieve this mandate. In order to meet required housing supply projections,

the *Planning Act* instructs municipalities to make planning decisions that are consistent with the *Provincial Policy Statement* and the Growth Plan.

A detailed Planning Analysis is found in Appendix 2.

The applications are consistent with the *Provincial Policy Statement* and conform to the *Growth Plan for the Greater Golden Horseshoe*, the Region of Peel Official Plan and Mississauga Official Plan.

An official plan amendment will permit four condominium apartment buildings with 1,355 units (heights of 32, 35, 35 and 38 storeys) and with retail and office use. Specifically, the amendment is needed to:

- permit heights in excess of 34 storeys
- reduce the amount of non-residential gross floor area to a minimum of 9 130 m² (98,274.5 ft²) of retail commercial and office space contained within the apartment buildings in Area 6A (north block, Phase 4, Parts 1 and 2) and 6B (south block, Phases 3 and 5)
- decrease in the maximum floor space index (FSI) to 4.8 within Area 6A
- allow an increase in the maximum FSI to 7.6 within Area 6B.

Both sites are located in the Uptown Major Node, which is an area of the City's urban structure that is intended to intensify while providing a mix of uses at a higher density. To ensure a better transition to neighbouring properties, a six storey podium has been introduced on the north side of the subject property, adjacent to the two ten storey Peel Non-Profit apartment buildings. The land to the east of the site is zoned for three apartment buildings with maximum heights of 21, 27 and 33 storeys and an existing commercial plaza. Lands to the south of the site include a gas station and two apartment buildings with heights of 25 and 28 storeys. Lands to the west of the site are zoned for 15 and 34 storey apartment buildings and 23 and 26 storey apartment buildings. While the proposed 38 storey building is taller than some of the surrounding uses, it is only one storey taller than the existing apartments at the southwest corner of Kingsbridge Garden Circle and Tucana Court (45 Kingsbridge Garden Circle), located approximately 260 m (850 ft.) southwest of the subject property.

UPTOWN NODE CAPACITY REVIEW SUMMARY

Given the number of active and preliminary development applications in the Uptown Major Node, a capacity review study was undertaken to determine the cumulative impact of this growth on the provision of infrastructure and services. Findings suggest the area is served by transportation options, and a range of goods and services, however, on-going review and improvements to mitigate impacts of increase development will likely benefit future residents.

Specifically, the study indicates that the Uptown Major Node currently has a parkland and playground deficiency, and there is an immediate need for a new Peel District School Board elementary school to serve the area. Moreover, if growth continues along its current trajectory, it

is likely that increased pressure will be placed on the Node's road network, libraries and community facilities.

On July 27, 2020, Council authorized staff (PDC 0027-2020 from Planning and Development Committee) to develop an Official Plan Amendment that includes a Block and Road Plan to help address these matters, along with permission to consult the community and hold a public meeting. Staff are exploring ways that an OPA can work within a provincial framework to secure future parkland and playgrounds, as well as to ensure this parkland is provided as part of an interconnected system of greenspace. Where a park cannot be secured, pocket parks and POPS (Privately Owned Publicly Accessible Spaces) could be considered.

Strategic Plan

The applications are consistent with the Connect pillar of the Strategic Plan by contributing a choice of housing type to residents that supports the principle of building complete communities to accommodate growth.

Financial Impact

All fees paid by developers are strictly governed by legislation, regulation and City by-laws. Fees are required to be paid prior to application approval, except where otherwise may be prescribed. These include those due to the City of Mississauga as well as any other external agency.

Conclusion

In summary, the proposed development has been redesigned to be more sensitive to the existing and planned character of the neighbourhood and provides an appropriate transition to adjacent commercial and residential uses. The proposed official plan amendment and rezoning applications are acceptable from a planning standpoint and should be approved.

Prior to the passage of the implementing official plan amendment and zoning by-law by Council, the applicant will be required to execute a Section 37 agreement to the satisfaction of the City.

Bill 139

Recommendation

That the report dated January 29, 2019, from the Commissioner of Planning and Building regarding the applications by Pinnacle International (Ontario) Ltd. to permit five apartment buildings containing 2,095 units with heights of 30, 35, 38, 50, and 50 storeys with retail and office commercial uses in the podiums, under File OZ 18/011 W5, 0 and 5044 Hurontario Street, be received for information.

Background

The subject lands were part of a larger Master Planning exercise that started in 2007 and concluded in 2012 with the approval of a draft plan of subdivision, Official Plan Amendment, and implementing Zoning By-law. Since 2012 there have been a number of revisions to the Master Plan, as outlined in the site history (Appendix 1).

The applications have been deemed complete and circulated for technical comments. The purpose of this report is to provide preliminary information on the applications and to seek comments from the community. This report consists of two parts, a high level overview of the applications and a detailed information and preliminary planning analysis (Appendix 1).

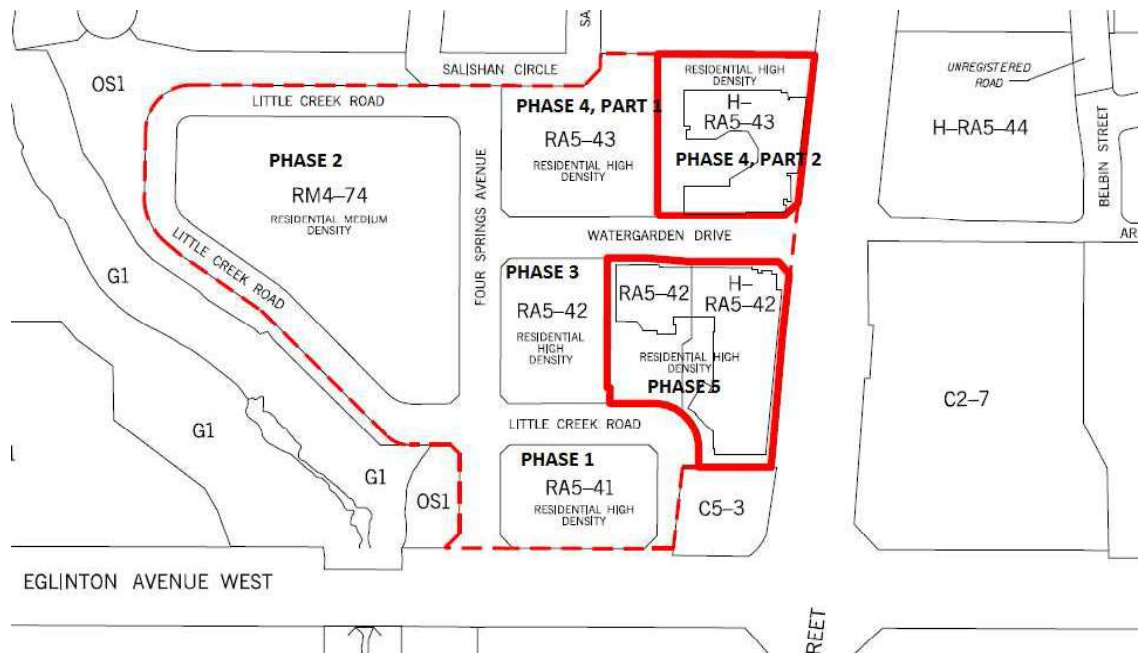

PROPOSAL

The subject lands constitute the two remaining vacant properties shown in red on the map below within the Pinnacle Master Plan community, one property to the north, and one property to the south of Watergarden Drive. The applicant is proposing an official plan amendment and rezoning to permit five apartment buildings with heights of 30, 35, 38, 50, and 50 storeys, and retail and office commercial uses in the podiums. Three of the apartment buildings are proposed on the north parcel (Phase 4, Part 2, 0 Hurontario Street), and two of the apartment buildings are proposed on the southerly parcel (Phase 5, 5044 Hurontario Street).

The applicant is proposing to amend the **Residential High Density – Special Site 6** policies to:

- increase the maximum number of apartment dwellings from 1,969 to 3,109
- decrease the minimum amount of required retail and office commercial space from 11 000 m² (118,403 sq.ft.) to 10 230 m² (115,175 sq.ft.)
- increase the maximum floor space index (FSI) from:
 - 5.19 to 6.99 in Area 6A, north parcel, (Phase 4, Parts 1 and 2); and
 - 7.11 to 8.23 in Area 6B, southerly parcel, (Phases 3 and 5)
- permit a maximum height of 50 storeys

Phasing plan of overall development

The zoning by-law will also need to be amended from **RA5-42** (Apartment Dwellings), **H-RA5-42** (Apartment Dwellings) and **H-RA5-43** (Apartment Dwellings) to **RA5-Exception** (Apartment Dwellings) to implement this development proposal.

During the ongoing review of these applications, staff may recommend different land use designations and zoning categories to implement the proposal.

Comments

The properties are located on the west side of Hurontario Street, north of Eglinton Avenue West within the Uptown Major Node Character Area. The site is currently vacant. The surrounding neighbourhood contains apartment buildings and townhomes, with a commercial plaza located across Hurontario Street, and a gas station to the south.

The northern portion of the site is subject to a holding provision to deal with the development of the future Light Rail Transit (LRT) line. The southern portion of the site is subject to a holding provision that requires a satisfactory agreement with the City of Mississauga for a \$375,000 public art contribution for Area 'A2' (Phase 4, Part 2).

LAND USE POLICIES AND REGULATIONS

The relevant policies of Mississauga Official Plan are consistent with the *Provincial Policy Statement (PPS)*, *Growth Plan for the Golden Horseshoe (Growth Plan)* and *Region of Peel Official Plan (ROP)*. The *Greenbelt Plan* and *Parkway Belt Plan* policies do not apply. The conformity of this proposal with the policies of Mississauga Official Plan (MOP) is under review.

Additional information and details are found in Appendix 1, Section 6.

AGENCY AND CITY DEPARTMENT COMMENTS

Agency and department comments are summarized in Appendix 1, Section 9.

Financial Impact

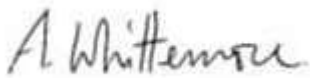

All fees paid by developers are strictly governed by legislation, regulation and City by-laws. Fees are required to be paid prior to application approval, except where otherwise may be prescribed. These include those due to the City of Mississauga as well as any other external agency.

Conclusion

All agency and City department comments have been received. The Planning and Building Department will make a recommendation on this project after the public meeting has been held and the issues have been resolved. Major issues to be addressed include: confirmation of the adequacy of the existing sewer and water services; review of impacts on traffic, provision of information to NAV CANADA; ensuring appropriate transition in heights; provision of affordable housing, and the mix of uses on the site.

1. Site History

Since 2012 there have been a number of revisions to the Master Plan, as outlined below:

- March 5, 2003 – The Region of Peel approved the Mississauga Plan policies for the Hurontario District, designating the subject lands as "Residential Low Density I", "Residential Medium Density I", "Residential High Density II", and "Public Open Space"
- June 20, 2007 – Zoning By-law 0225-2007 came into force except for those sites which were appealed. The matter was originally appealed by the applicant (Appeal No. 18) and was withdrawn in November 2008. The subject lands were initially zoned D (Development) which only permits legally existing uses
- November 14, 2012 – Mississauga Official Plan came into force except for those site/policies which have been appealed. As no appeals were filed, the policies of the new Mississauga Official Plan apply. The subject lands were designated **Residential High Density – Special Site 6** in the Uptown Major Node Character Area
- December 12, 2012 – City Council enacted By-law 0276-2012 to amend Mississauga Official Plan (MOPA 3) from **Residential Low Density II, Residential Medium Density I, Residential High Density II and Public Open Space** to **Residential Medium Density I and Residential High Density: Special Site 6, Public Open Space and Greenbelt**
- December 12, 2012 – City Council enacted By-law 0275-2012 which changed the zoning of the entire property from **D** (Development) to **RA5-43** (Apartment Dwellings – Exception) and **H-RA5-43** (Apartment Dwellings – Exception with Holding Provision) under file OZ 07/025 W5
- March 6, 2013 - The Draft Plan of Subdivision was approved under file T-M07006 W5
- September 10, 2014 – City Council enacted By-law 0243-2014 to amend Zoning By-law 0225-2007 which changed the zoning of Phase 3 from **H-RA5-42** (Apartment Dwellings – Exception with Holding Provision) to **RA5-42** (Apartment Dwellings – Exception) under file OZ 13/020 W5. This rezoning application reduced the number of proposed apartment buildings from three to two, while increasing the proposed building heights of both buildings. It also transferred the minimum 1 000 m² (10,764 sq. ft.) gross floor area non-residential (commercial) use requirement from the proposed building located in Phase 3 to the podium of the proposed building in Phase 5. A site plan was subsequently approved on August 19, 2016, under file SP 16/001 W5
- October 25, 2017 – City Council enacted By-law 0202-2017 to amend Mississauga Official Plan (MOPA 74) and Zoning By-law 0225-2007 from **H-RA5-43** (Apartment Dwellings – Exception with Holding Provision) and **RA5-43** (Apartment Dwellings – Exception) to **H-RA5-43** (Apartment Dwellings – Exception with Holding Provision) and **RA5-43** (Apartment Dwellings – Exception) under file OZ 16/010 W5. This application

reduced the number of permitted apartment buildings from three to two while increasing the proposed heights to 15 and 34 storeys on this parcel (Phase 4, Parts 1 and 2). It also transferred the minimum 4 770 m² (51,344 sq. ft.) gross floor area non-residential (commercial) use requirement from Phase 4, Part 1 and Phase 4, Part 2 to Phase 4, Part 2. A minimum gross floor area non-residential of 230 m² (3,476 sq. ft.) remained on Phase 4, Part 1.

2. Site and Neighbourhood Context

The property is located on the west side of Hurontario Street, north of Eglinton Avenue West, within the Uptown Major Node Character Area. The site is currently vacant, with the exception of a temporary sales presentation centre located on the southerly parcel, but is zoned to permit apartment buildings with retail and office commercial uses. The Uptown Major Node is centred on the Hurontario Street and Eglinton Avenue intersection and is undergoing significant transition and growth.

A future Light Rail Transit (LRT) stop is proposed at the intersection of Hurontario Street and Eglinton Avenue West, just south of the subject property. Land uses within the node consist of

apartment buildings, retail and office commercial, with some vacant parcels. Generally, there is a transition from high density to medium and low density residential buildings further from the Hurontario/ Eglinton intersection.

The population of this Major Node is forecast to more than double between 2011 (9,465) and 2041 (19,700), with a population density of 96.54 people/ha. Seventy percent of the population within this area are working age (15 to 64 years of age), 17% are children (0-14 years) and 13% are seniors (65 years and over). There are slightly fewer children and more seniors living in the Uptown Major Node Character Area when compared to the City as a whole. On average, the total number of persons within a household in this area is 2. Approximately 87% of the population living in apartments of five storeys or higher, which is significantly greater than the City's average (25%). The mix of housing tenure for the node is 2,665 units (67%) owned and 1,290 units (33%) rented, with a vacancy rate of approximately 0.8%.

The node contains the Emerald Centre (west side of Hurontario, north of Highway 403), Cityside Shopping Centre (northeast corner of Hurontario Street and Eglinton Avenue East), Mississauga Marketplace Plaza (southeast corner of Hurontario Street and Eglinton Avenue East) and 30 Eglinton West Commercial Centre (southwest corner of Hurontario Street and Eglinton Avenue West). These plazas provide a range of services including a grocery store, drug store, medical offices, gym, Service Ontario, and restaurants. The Frank McKechnie Community Centre and Library are located on Bristol Road East, east of Hurontario Street, northeast of the subject property, approximately 2 km (1.24 miles) away from the site.

There are several bus service routes (19, 19A, 19B, 19C, and 103) which provide access directly to the Downtown Transit Terminal, which connects to the Cooksville GO station and to the Transit Way. There are also bus service routes on Eglinton Avenue (35 and 35A) which provide access to the Islington (TTC) Station.

Other Development Applications

There is an active site plan for two apartment buildings with heights of 15 and 34 storeys on Phase 4, Part 1 of the Master Plan, located on the north side of Watergarden Drive, east of Four Springs Avenue, and abutting the Part 2 lands.

There is an active site plan for a 33 storey apartment building, located at the southeast corner of Hurontario Street and Nahani Way, which is currently under construction.

There is also active development applications for six apartment buildings with proposed heights ranging between 30 to 45 storeys located on the vacant lands on the north side of Eglinton Avenue East, east of Hurontario Street.

Community Services

Servicing and parkland provision was addressed through the original development application approvals. Should this application be approved, with a total of 2,095 residential units, Cash in Lieu of Parkland will be required for 460 of these units prior to the issuance of building permits.

Kingsbridge Common Park is located on the east side of Regents Terrace, south of Eglinton Avenue, which is less than 1 275 m (4,183 ft.) from the subject lands. There are also new parks that have not yet been named, located west of the subject property along Little Creek Road, less than 127.5 m (418.3 ft.) from the subject lands.

Cooksville Creek Public School is located on the west side of Salishan Circle, south of Ceremonial Drive. Fairwind Senior Public School is located on the east side of Fairwind Drive, north of Ceremonial Drive, and Rick Hansen Secondary School is located to the northwest of Eglinton Avenue West and Mavis Road.

3. Project Details

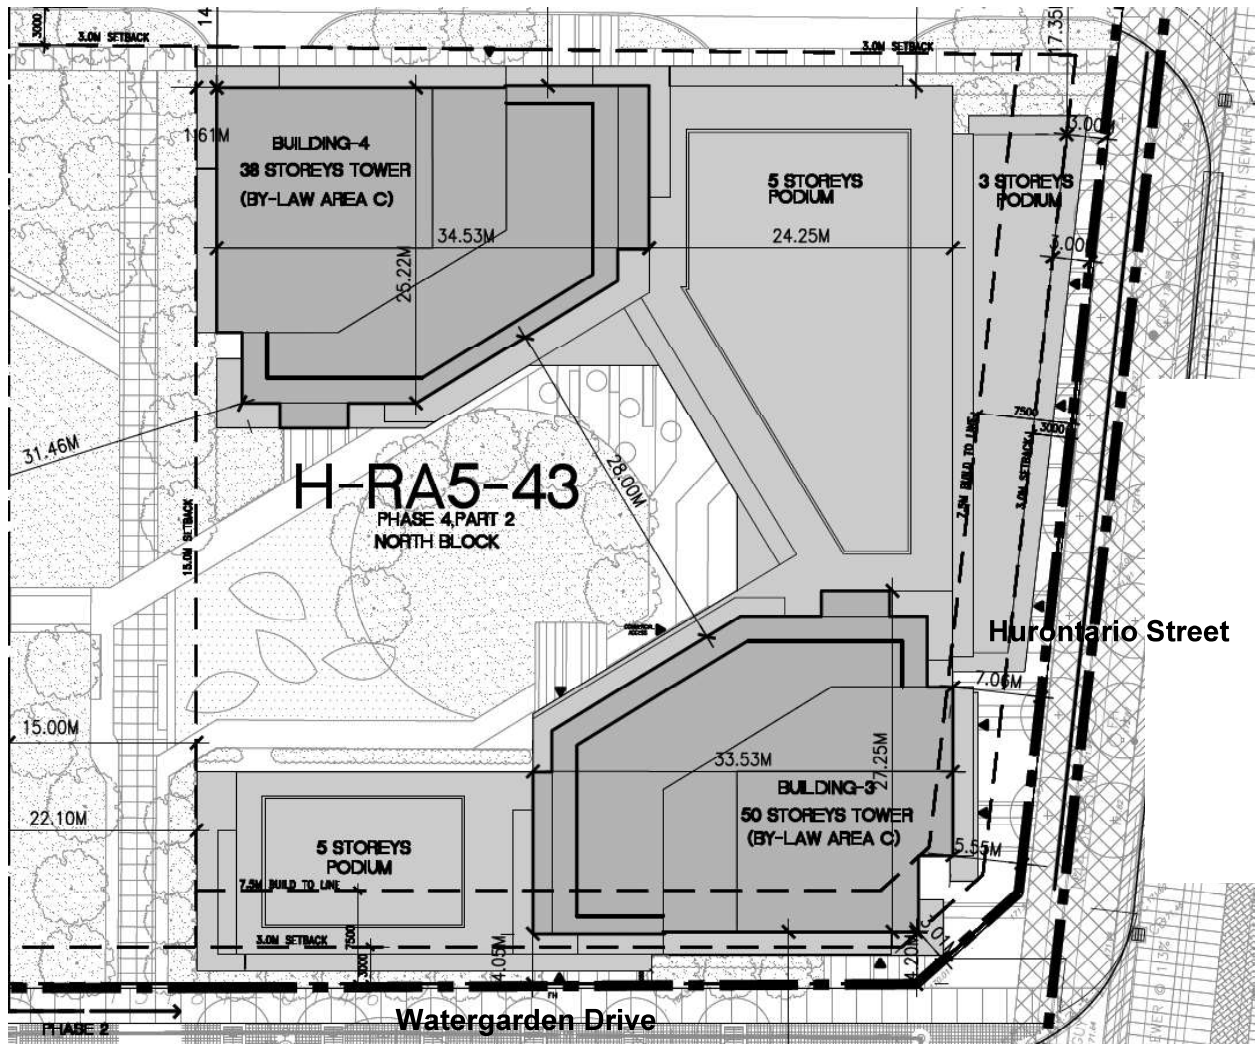

The applications are to permit five apartment buildings with heights of 30, 35, 38, 50 and 50 storeys with retail and office commercial uses permitted in the first three floors of the buildings facing Hurontario Street.

4. Community Comments

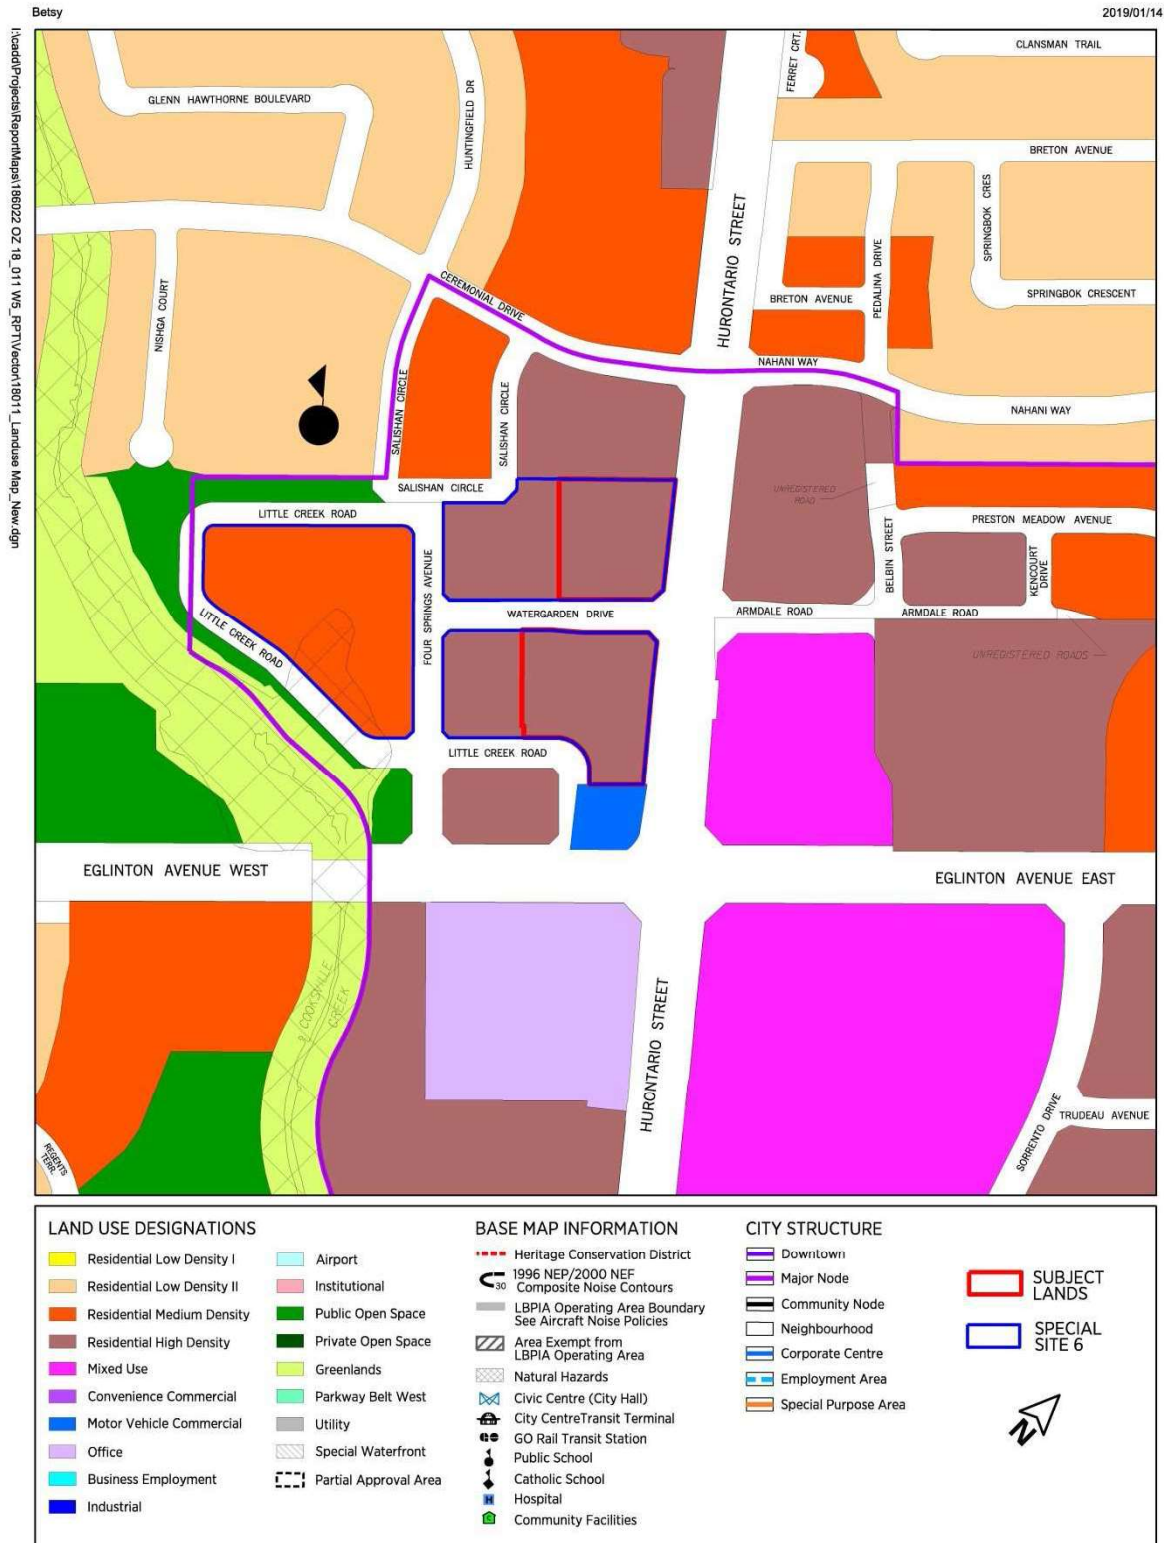

The following comments received through letters and emails as well as any other issues raised at the public meeting, will be addressed in the Recommendation Report, which will come at a later date.

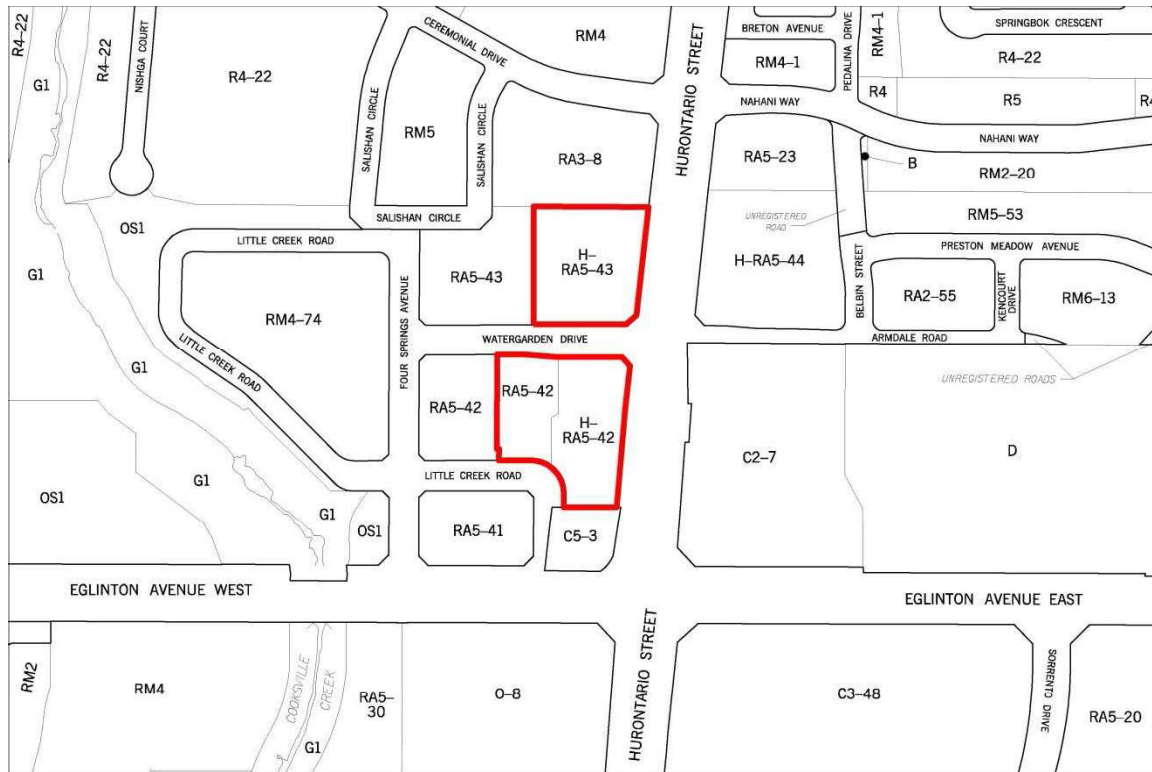

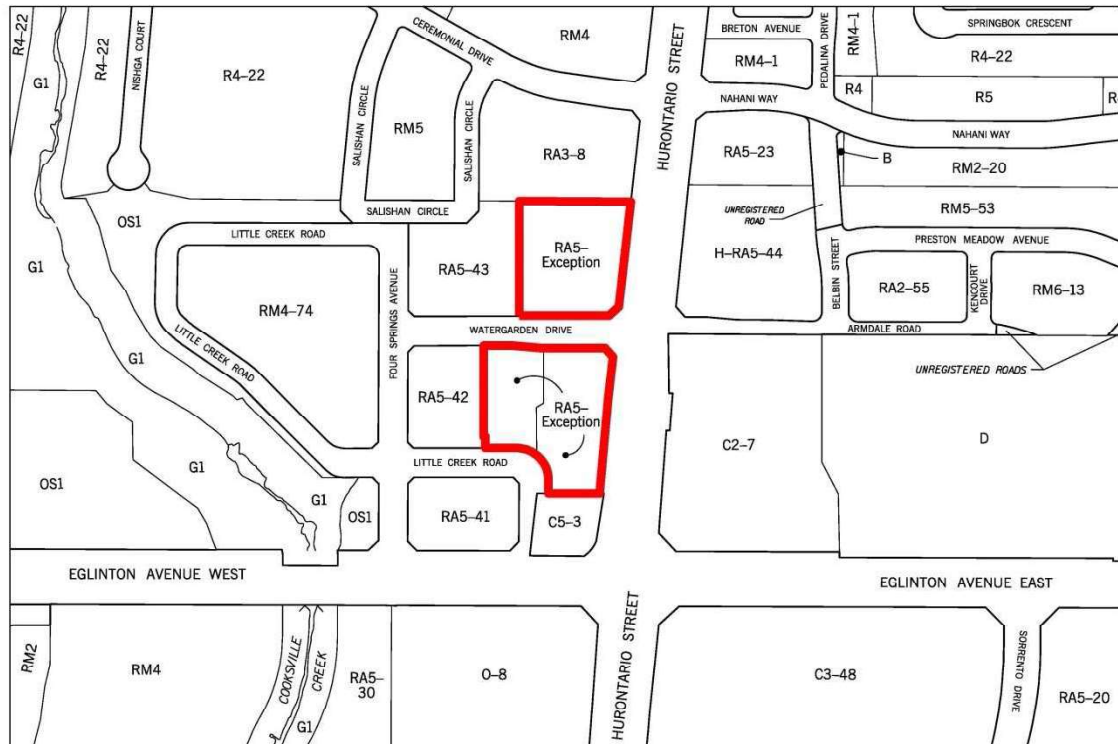

- Concern with proposed height and density
- Additional traffic generated by the development will impact the entire neighbourhood and in particular, the intersections of Four Springs Avenue and Eglinton Avenue West and Watergarden Drive and Hurontario Street
- Concerns were expressed for pedestrian safety
- Insufficient visitor parking spaces in the neighbourhood
- Concern with lack of green space and/or parkland
- Concern with stormwater management

No community meetings have been held.

Summary of Applicable Policies

The following table summarizes the applicable policy and regulation documents that affect these applications:

Policy	Mississauga Official Plan (MOP) Policies	Proposal
<i>Provincial Policy Statement (PPS)</i>	The existing policies of MOP are consistent with the PPS	The proposed development is being reviewed for consistency with the PPS.
<i>Growth Plan for the Greater Golden Horseshoe (Growth Plan)</i>	The existing policies of MOP conform with the <i>Growth Plan</i>	The proposed development is being reviewed for conformity with the <i>Growth Plan</i> .
Greenbelt Plan	n/a	n/a
Parkway Belt Plan	n/a	n/a
Region of Peel Official Plan	The existing policies of MOP are consistent with the ROP	The proposed application is exempt from Regional approval
Mississauga Official Plan	<p>The lands are located within the Uptown Major Node Character Area and are designated Residential High Density – Special Site 6 which permits apartment dwellings.</p> <p>Major Node policies are intended to ensure they develop as a prominent centre with a regional and city focus, and will be served by higher order transit. Major Nodes will provide a mix of uses including employment, commercial, residential, educational and open space. It is also anticipated that Major Nodes will provide a variety of higher density housing for people in different phases of their lifecycle and for a variety of income groups. Major Nodes will be developed to support and encourage active transportation as a mode of transportation.</p>	The applicant is proposing to amend the Residential High Density – Special Site 6 designation to permit apartment buildings. This designation is consistent with the intent of the official plan but will need to address transitions, the City Structure hierarchy, as well as servicing and built form policies, as outlined in the Development Issues section below
Zoning By-law 225-2007	The lands are currently zoned RA5-42 (Apartment Dwellings), H-RA5-42 (Apartment Dwellings) and H-RA5-43 (Apartment Dwellings)	The applicant is proposing to change the existing zoning to increase the number of apartment buildings, dwelling units, and proposed heights, and to redistribute office and retail commercial uses on-site.

Existing and Proposed Mississauga Official Plan Designation for the Subject Site**Existing Designation**

Residential High Density – Special Site 6 includes Phases 2 through 5 of the Pinnacle Master Plan (see Page 3 of the report) and permits apartment buildings.

13.4.4.6 Site 6

13.4.4.6.1 The lands identified as Special Site 6 are located within the northwest quadrant of Eglinton Avenue West and Hurontario Street.

Notwithstanding the provisions of MOP, the following additional policies also apply:

- a. A maximum of 1,969 dwelling units will be permitted
- b. A minimum of 11 000 m² (118,403 sq. ft.) and a maximum of 25 200 m² (271,251 sq.ft.) of retail commercial and office space will be provided, contained within the first three floors of the apartment buildings within Area 6A and 6B
- c. Notwithstanding the provisions of the Residential High Density designation, the lands identified as Area 6A will be permitted to develop to a maximum *floor space index (FSI)* of 5.19 and a height of 34 storeys
- d. Notwithstanding the provision of the Residential High Density designation, the lands identified as Area 6B will be permitted to develop to a maximum *floor space index (FSI)* of 7.11 and a height of 34 storeys

Proposed Designation

Residential High Density – Special Site 6 which permits apartment buildings, however, the following additional policies will apply:

- a. a maximum of 3,109 dwelling units
- b. a minimum combined total of 10 230 m² (115,175 sq.ft.) of retail commercial and office uses within the first three floors of the buildings fronting onto Hurontario Street

- c. Notwithstanding the provisions of the Residential High Density designation, the lands identified as Area 6A will be permitted to develop to a maximum Floor Space Index (FSI) of 6.99, and a height of 50 storeys
- d. Notwithstanding the provisions of the Residential High Density designation, the lands identified as Area 6B will be permitted to develop to a maximum Floor Space Index (FSI) of 8.23 and a height of 50 storeys

Provincial Policy Statement (PPS) and Growth Plan Analysis

Consistency with Provincial Policy Statement 2014

The *Provincial Policy Statement* 2014 (PPS) is issued under Section 3 of the *Planning Act* and all decisions affecting land use planning matters "shall be consistent" with the *Provincial Policy Statement*.

The following table has been prepared to demonstrate how MOP policies are consistent with the relevant PPS policies (i.e. "Mississauga Official Plan Policies" column). In addition, the table provides a preliminary assessment as to how the proposed development is consistent with PPS and MOP policies (i.e. "OZ 18/011 W5 Consistency" column). Only key policies relevant to the application have been included, and the table should be considered a general summary of the intent of the policies.

Official Plan Amendment No. 47 to MOP added and amended policies in the Official Plan so that it is consistent with the PPS. This amendment came into force on May 18, 2016.

Consistency Analysis

Provincial Policy Statement (PPS)	Mississauga Official Plan Policies (MOP)	OZ 18/011 W5 Consistency
1.0 Building Strong Healthy Communities		
General Statement of Intent: Promoting efficient land use and development patterns are important to sustainable, liveable, healthy, resilient communities, protecting the environment, public health and safety and facilitating economic growth.	MOP provides for efficient land use patterns by recognizing that development and intensification will occur; however, the magnitude will vary in accordance with the City's urban hierarchy. (5.3 City Structure).	The proposed redevelopment represents a significant intensification. As part of the next staff report, the applications will be assessed with regard to whether the proposed built form appropriately addresses the City Structure.
1.1.3.2 Land use patterns within settlement areas shall be based on: <ul style="list-style-type: none"> a) Densities and a mix of land uses which: <ul style="list-style-type: none"> 1. efficiently use land and resources 2. are appropriate 	The Uptown Major Node is identified as a Major Node which is an element in the City's urban structure that is intended for intensification and provides a mix of uses (as identified on Schedule 10 Land Uses of MOP) and allows for higher density	The proposed redevelopment efficiently uses land and resources, infrastructure and public service facilities; it supports active transportation and is transit supportive. A range of uses has been proposed through this development application.

	development provides significant intensification within the Major Node and is being evaluated with respect to providing appropriate transitions to the surrounding properties. MOP includes policies that require development applications to provide appropriate height and built form transitions between sites and their surrounding area (9.2.1.10).	
1.4 Housing 1.4.1 Planning Authorities shall provide for an appropriate range and mix of housing that is affordable	Major Nodes are intended to provide a variety of higher density housing for people in different phases of their lifecycle and for a variety of income groups (5.3.2)	The proposed development may improve the range and variety of housing in the City, should it be determined to represent good planning with an appropriate built form. The applicant has not yet indicated the level of affordable housing proposed.
4.0 Implementation and Interpretation		
General Statement of Intent: Provides direction on how the <i>Provincial Policy Statement</i> is to be implemented and interpreted. 4.2 Decisions of the council of a municipality shall be consistent with the <i>Provincial Policy Statement</i> 4.7 The Official Plan is the most important vehicle for implementation of the <i>Provincial Policy Statement</i>	As outlined in this table, the policies of Mississauga Official Plan are generally consistent with the relevant policies of the Provincial Policy Statement.	These applications are generally supportive of a number of PPS and MOP policies. The applications are also being further evaluated with respect to MOP policies concerning traffic, servicing capacity, height and transition to surrounding land uses.

Conformity with Growth Plan 2017

The *Growth Plan for the Greater Golden Horseshoe* (Growth Plan) (2017) was issued under Section 7 of the *Places to Grow Act* and all decisions affecting lands within this area will conform with this Plan.

The following table has been prepared to demonstrate how MOP policies conform with the relevant Growth Plan policies (i.e. "Mississauga Official Plan Policies" column). In addition, the table provides a preliminary assessment as to how the proposed development conforms with Growth Plan and MOP policies ("OZ 18/011 W5 Conformity" column). Only key policies relevant to the application(s) have been included, and that table should be considered a general summary of the intent of the policies.

MOP was prepared and approved in accordance with the Growth Plan 2006. Mississauga is in the process of reviewing MOP policies to ensure conformity with the new Growth Plan 2017. The development application has been reviewed against Growth Plan 2017 policy direction to ensure conformity.

Conformity Analysis

<i>Growth Plan for the Greater Golden Horseshoe</i>	Mississauga Official Plan Policies (MOP)	OZ 18/011 W5 Conformity
1.1 The Greater Golden Horseshoe		
General Statement of Intent: The Greater Golden Horseshoe plays an important role in accommodating growth, however, the magnitude of anticipated growth will present challenges to infrastructure, congestion, sprawl, healthy communities, climate change and healthy environment	The policies of MOP will accommodate growth within the existing urban boundary, helping to reduce sprawl. The policies provide a planning framework to address the challenges of accommodating growth. Section 4 of MOP outlines the City's Vision, and Guiding Principles which will help shape change that the Growth Plan anticipates.	The development applications represent growth within the existing urban boundary. Any potential issues associated with accommodating additional growth on the subject site will be further evaluated based on relevant policies and guidelines.
1.2 The Growth Plan for the Greater Golden Horseshoe		
General Statement of Intent: The Vision for the Greater Golden Horseshoe is that it will be a great place to live, supported by a strong economy, a clean and healthy environment, and social equity, with an extraordinary waterfront.	The Vision for Mississauga is that it will be a beautiful sustainable city that protects its natural and cultural heritage resources and its established stable neighbourhoods (MOP section 4). The City is planning for a	The site location on Hurontario Street is supportive of existing and future public transit (LRT). The appropriateness of the built form as it relates to implementing the Vision is being further evaluated.

1.2.1 Guiding Principles		
<p>General Statement of Intent for this Section: The policies of this Plan are based on the following principles:</p> <ul style="list-style-type: none"> a. Complete communities b. Prioritize intensification c. Provide flexibility to capitalize on new employment opportunities d. Support a range and mix of housing options e. Integrate land use planning and investment in infrastructure f. 1.2.2 Legislative Authority		
<p>General Statement of Intent: All decisions made on or after July 1, 2017 will conform with this Plan</p>	As illustrated through this table, MOP generally conforms to the Growth Plan, as it pertains to the proposed development.	As the decision on the applications will occur after July 1, 2017, the application must conform to the Growth Plan 2017.
1.2.3 How to Read this Plan		
<p>General Statement of Intent for this Section: Outlines the relationship between the <i>Growth Plan</i> and other planning documents, and how to read the plan</p>	Relevant MOP policies have been reviewed in respect of the Growth Plan and other planning documents.	MOP has been reviewed in respect to the <i>Growth Plan</i> and other applicable Provincial planning documents.
2. Where and How to Grow		
2.1 Context		
<p>General Statement of Intent: This Plan is about building compact and complete communities. Better use of land and infrastructure can be made by prioritizing intensification, building compact and complete communities, and increasing the modal share for transit and active transportation.</p>	The MOP policies conform with the general intent, as summarized in the Vision and Guiding Principle section of the document (Section 4).	The Uptown Major Node is planned as a complete community and identified as a Major Node which is an area for intensification that provides for a mix of uses including employment, commercial, residential, educational and open space. This node is situated on existing transit routes, as well as the future LRT, and is in proximity to existing community infrastructure (schools, parks, libraries, community centres, emergency services and places of religious assembly).

MOP ensures forecasted growth is properly managed as development may be phased if satisfactory arrangements for infrastructure are not made. <p>The Node includes a mix of land uses and housing types. MOP includes policies to ensure high quality compact built form, attractive public realm, including open spaces, through site design and urban design (MOP section 9.1). Developing vacant and underutilized lots appropriately and providing for a variety of higher density housing will help to establish the Node as a prominent centre.</p>	<p>Given the number of development applications in the Uptown Major Node, staff is undertaking a limited capacity study to determine if there is sufficient infrastructure to accommodate the growth that is being proposed.</p> <p>The proposed development will be evaluated against the applicable MOP policies.</p>

2.2.2 Delineated Built-up Areas		
<p>Statement of Intent: The majority of growth is directed to lands within the delineated built-up area (i.e. limits of the developed urban area identified by the Minister of Municipal Affairs and Housing).</p>	<p>The Uptown Major Node is located within the delineated built-up area and will assist in achieving intensification targets.</p>	<p>The development applications are supportive of the Growth Plan intent to direct development within the built-up area. However, the manner in which growth is accommodated on the site is subject to further review.</p>
2.2.4 Transit Corridors and Station Areas		
<p>Statement of Intent: Given Provincial investment in higher order transit municipalities are to plan</p>	<p>Hurontario Street is identified in the Growth Plan as a transit priority corridor.</p>	<p>The development applications are supportive of policies that direct development to intensification areas that are transit supportive.</p>

for "major transit station areas on priority transit corridors" as identified on Schedule 5 of the Growth Plan (2.2.4.1)	MOP identifies Hurontario Street as an intensification / higher order transit corridor. The site is also located within a Major Transit Station Area. MOP policies support intensification that is appropriate for the location. Intensification Areas (e.g. corridors and station areas) will be planned to reflect their role in the City Structure hierarchy (5.5.4).	
2.2.5 Employment		
General Statement of Intent for this Section: It is important to ensure an adequate supply of employment land.	The Major Node policies encourage a variety of uses including employment, commercial, residential, educational and open space.	The applications propose to provide some office and retail commercial uses within the apartment buildings.
2.2.6 Housing		
General Statement of Intent: A range and mix of housing is to be provided, including affordable housing. A housing strategy prepared by the Region is an important tool that can be used.	Mississauga Council has recently approved a citywide affordable housing strategy that is currently being implemented. The strategy can be accessed at: http://www7.mississauga.ca/documents/pb/planreports/2017/Affordable_Housing_Strategy_Appendix1&2-Web.pdf	The Region of Peel and the City of Mississauga are working together to address housing issues. A diverse range of housing options is encouraged by MOP (Section 7.2.2). Through the next step in the planning process, staff will assess whether the proposed applications contribute to the range of housing options and affordable housing in the City.
Relevant Policies: a. The Region is responsible for preparing a housing strategy (2.2.6.1) b. Municipalities will support complete communities by accommodating growth forecasts, achieve minimum intensification targets, consider a range of housing options, and	MOP policies provide opportunities for a range of housing choices, a variety of affordable dwellings, and production of housing for those with special needs such as the elderly (Section 7.2.2).	The Region of Peel and the City of Mississauga are working together to address affordable housing issues. Through the next step in the planning process, staff will assess whether the proposed applications contribute to affordable housing in the City.

planning to diversify the housing stock. (2.2.6.2)		
5 Implementation		
<p>Statement of Intent: Comprehensive municipal implementation is required to implement the <i>Growth Plan</i>. Where a municipality must decide on planning matters before its official plan has been updated it must still consider impact of decision as it relates to the policy of the plan.</p> <p>The policies of this section address implementation matters such as: how to interpret the plan, supplementary direction on how the Province will implement, co-ordination of the implementation, use of growth forecasts and targets, performance indicators and monitoring, interpretation of schedules and appendices.</p>	MOP must conform with a hierarchy of policy and legislation at the federal, provincial, regional, and municipal level. In particular provincial policy initiatives provide strong direction for the growth management and development strategies found in MOP.	Not directly applicable, as these policies speak to interpretation and how to read the plan and are contained in Section 1.0 of the Mississauga Official Plan.

Region of Peel Official Plan

The Region of Peel approved MOP on September 22, 2011. The proposed development applications were circulated to the Region who has advised that in its current state, the applications meet the requirements for exemption from Regional approval. Local official plan amendments are generally exempt from approval where they have had regard for the *Provincial Policy Statement* and applicable Provincial Plans, where the City Clerk has certified that processing was completed in accordance with the *Planning Act* and where the Region has advised that no Regional official plan amendment is required to accommodate the local official plan amendment. The Region provided additional comments which are discussed in Section 9 of this report.

Relevant Mississauga Official Plan Policies

There are other policies in Mississauga Official Plan (MOP) that are also applicable in the review of these applications, some of which are found below.

	Specific Policies	General Intent
Section 4 Vision	Section 4.4.2 Section 4.4.5 Section 4.5	Mississauga will provide the guiding principles that are to assist in implementing the long-term land use, growth and development plan for Mississauga and sets out how the City will achieve these guiding principles.
Section 5 Direct Growth	Section 5.1.4 Section 5.1.6 Section 5.1.9	Most of Mississauga's future growth will be directed to Intensification Areas. Mississauga encourages compact, mixed use development that is transit supportive, in appropriate locations, to provide a range of live/work opportunities. New development will not exceed the capacity of existing and planned engineering services, transit services and community infrastructure. Development proposals may be refused if existing or planned servicing and/or infrastructure are inadequate to support the additional population and employment growth that would be generated or be phased to coordinate with the provision of services and infrastructure.
Section 5 Direct Growth-Major Nodes	Section 5.3 Section 5.3.2	<p>MOP will ensure that Major Nodes develop as prominent centres with regional and city focus, and will be served by higher order transit. Major Nodes will provide a mix of uses including employment, commercial, residential, educational and open space. It is also anticipated that Major Nodes will provide a variety of higher density housing for people in different phases of their lifecycle and for a variety of income groups.</p> <p>Major Nodes will achieve a gross density of between 200 and 300 residents and jobs per hectare (81 and 121 residents and jobs combined per acre), and an average employment ratio of between 2:1 to 1:2, measured as an average across the entire area of each node.</p> <p>Development applications within a Major Node proposing a change to the designated land use which results in a significant reduction in the number of residents or jobs that could be accommodated on the site will not be permitted unless considered through a municipal comprehensive review.</p> <p>Major Nodes will be developed to support and encourage active transportation as a mode of transportation.</p>
Section 5 Direct Growth-Corridors	Section 5.4.1 Section 5.4.2 Section 5.4.3 Section 5.4.4 Section 5.4.5 Section 5.4.6	Corridors connect various elements of the city to each other. Over time, many of these Corridors will evolve and accommodate multi-modal transportation and become attractive public spaces in their own right. Some Corridors have been identified as appropriate locations for intensification. A corridor is generally comprised of the road right-of-way as

	Specific Policies	General Intent
	Section 5.4.7 Section 5.4.8 Section 5.4.9 Section 5.4.10	well as the lands on either side of the road. Development on Corridors should be compact, mixed use and transit friendly and appropriate to the context of the surrounding Neighbourhood.
Section 7 Complete Communities	Section 7.1.1 Section 7.1.3 Section 7.1.6 Section 7.2 Housing Section 7.2.1 Section 7.2.2 Section 7.2.8 Section 7.2.9	<p>The official plan supports the creation of complete communities that meet the day-to-day needs of people through all stages of their life offering a wide assortment of housing options and employment opportunities as well as numerous commercial and social venues. The provision of suitable housing is important to ensure that youth, older adults and immigrants thrive.</p> <p>Mississauga will ensure that housing is provided in a manner that maximizes the use of community infrastructure and engineering services, while meeting the housing needs and preferences of Mississauga residents.</p> <p>Mississauga will provide opportunities for:</p> <ol style="list-style-type: none"> The development of a range of housing choices in terms of type, tenure and price; The production of a variety of affordable dwelling types for both the ownership and rental markets; and, The production of housing for those with special needs, such as housing for the elderly and shelters. <p>Design solutions that support housing affordability while maintaining appropriate functional and aesthetic quality will be encouraged.</p> <p>The provision of housing that meets the needs of young adults, older adults and families will be encouraged in the Downtown, Major Nodes and Community Nodes.</p> <p>Housing is to be provided in a manner that maximizes the use of community infrastructure and engineering services, while meeting the housing needs and preferences of Mississauga residents. A range of housing types, tenure and price is to be provided.</p>
Section 9 Building a Desirable Urban Form	Section 9.1 Section 9.1.1 Section 9.1.2 Section 9.1.5 Section 9.1.6 Section 9.1.10 Section 9.1.15 Section 9.2.1 Section 9.3 Section 9.4	<p>Within Intensification Areas an urban form that promotes a diverse mix of uses and supports transit and active transportation modes will be required.</p> <p>Appropriate infill in both Intensification Areas and Non-Intensification Areas will help to revitalize existing communities by replacing aged buildings, developing vacant or underutilized lots and by adding to the variety of building forms and tenures. It is important that infill "fits" within the existing urban context and minimizes undue impacts on adjacent properties.</p>

	Specific Policies	General Intent
	Section 9.5	<p>Residential developments of a significant size, except for freehold developments, will be required to provide common outdoor on-site amenity areas that are suitable for the intended users.</p> <p>Buildings and site design will be compatible with site conditions, the surrounding context and surrounding landscape of the existing or planned character of the area. Developments will provide a transition in building height and form between Intensification Areas and adjacent Neighbourhoods with lower density and heights. Development proposals will demonstrate compatibility and integration with surrounding land uses and the public realm by ensuring that adequate privacy, sunlight and sky views are maintained.</p> <p>Site development should respect and maintain the existing grades on-site.</p>
Section 9 Intensification Areas	Section 9.2.1.1 Section 9.2.1.2 Section 9.2.1.3 Section 9.2.1.4 Section 9.2.1.8 Section 9.2.1.10 Section 9.2.1.11 Section 9.2.1.12 Section 9.2.1.13 Section 9.2.1.14 Section 9.2.1.15 Section 9.2.1.16 Section 9.2.1.21 Section 9.2.1.22 Section 9.2.1.25 through to Section 9.1.2.39	<p>Appropriate infill in both Intensification Areas and Non-Intensification Areas will help to revitalize existing communities by replacing aged buildings, developing vacant forms and tenures. It is important that infill "fits" within the existing building context and minimizes undue impacts on adjacent properties. Redevelopment projects include a range of scales, from small residential developments to large scale projects, such as the redevelopment of strip malls.</p> <p>High quality, diverse and innovative design will be promoted in a form that reinforces and enhances the local character. Development will be sited and massed to contribute to a safe and comfortable environment. Site development should respect and maintain the existing grades, conserve energy, provide enhanced streetscaping and contribute to the quality and character of existing streets.</p> <p>Buildings will minimize undue negative physical and visual impacts relating to noise, sun, shadow, views, skyview and wind.</p>
Section 9 Site Development Buildings	Various Sections	<p>Developments will provide a transition in building height and form between Intensification Areas and adjacent Neighbourhoods with lower density and heights.</p> <p>Site designs and buildings will create a sense of enclosure along the street edge with heights appropriate to the surrounding context.</p>
Section 13 Major Nodes	Section 13.1 Section 13.4	<p>In order to enhance a sense of community, a number of major streetscapes should be developed in a manner that will impact a sense of character. Community form along Hurontario Street should be integrated with the overall community design by providing for a graduated transition in development intensity and building scale, as well as the orientation of buildings.</p>

	Specific Policies	General Intent
Section 19 Implementation	Section 19.5.1	<p>This section contains criteria which requires an applicant to submit satisfactory planning reports to demonstrate the rationale for the proposed amendment as follows:</p> <ul style="list-style-type: none"> the proposal would not adversely impact or destabilize the following: the overall intent, goals and objectives of the Official Plan; and the development and functioning of the remaining lands which have the same designation, or neighbouring lands; the lands are suitable for the proposed uses, and compatible with existing and future uses of surrounding lands; there are adequate engineering services, community infrastructure and multi-modal transportation systems to support the proposed application; a planning rationale with reference to Mississauga Official Plan policies, other relevant policies, good planning principles and the merits of the proposed amendment in comparison with the existing designation has been provided by the applicant

8. Development Issues

The following is a summary of comments from agencies and departments regarding the applications:

Agency / Comment Date	Comment
Region of Peel (September 13, 2018)	<p>A satisfactory Functional Servicing Report (FSR) and multi-use demand table will be required to determine the adequacy of the existing services for the proposed development prior to the approval of the Zoning and Official Plan Amendments.</p> <p>The number of proposed dwelling units for both phases is a significant increase from the original FSR modelled with the subdivision. Modelling will be required for both phases to determine if any of the planned capital projects are required to be in place prior to the servicing of these phases.</p> <p>Servicing of this site may require municipal and/or private easements and the construction, extension, twinning and/or upgrading of municipal services. All works associated with the servicing of this site will be at the applicant's expense.</p> <p>The applicant must submit a satisfactory Site Plan or Waste Collection Plan through the site plan process adhering to all Region of Peel requirements for front-end collection from residential units.</p>
Dufferin-Peel Catholic District School Board and the Peel District School Board (June 25, 2018 and July 15, 2018)	<p>The Peel District School Board indicated that there is no available capacity to accommodate students generated by these applications. Accordingly, the Board has requested that in the event that the applications are approved, the standard school accommodation condition in accordance with City of Mississauga Resolution 152-98, adopted by Council on May 27, 1998 be applied. Among other things, this condition requires that a development application include the following as a condition of approval:</p> <p>"Prior to the passing of an implementing zoning by-law for residential development, the City of Mississauga shall be advised by the School Board that satisfactory arrangements regarding the adequate provision and distribution of educational facilities have been made between the developer/applicant and the School Board for the subject development."</p> <p>The Dufferin-Peel Catholic District School Board responded that it is satisfied with the current provision of educational facilities for the catchment area and, as such, the school accommodation condition as required by City of Mississauga Council Resolution 152-98 pertaining to satisfactory</p>

	<p>arrangements regarding the adequate provision and distribution of educational facilities need not be applied for this development application.</p> <p>In addition, if approved, the Peel District School Board and/or the Dufferin-Peel Catholic District School Board also require certain conditions be added to the applicable Development Agreements and to any purchase and sale agreement.</p>
<p>City Community Services Department – Parks and Forestry Division/Park Planning Section (January 8, 2018)</p>	<p>Future residents on this property will be served by Kingsbridge Common (P-195), zoned OS1, located on the east side of Regents Terrace, south of Eglinton Avenue, which is less than 1 275 m (4,183 ft.) from the subject lands. This 2.51 ha (6.20 acre) park contains a playground, 11v11 soccer field, and a parking lot.</p> <p>Furthermore, there are also new parks (P-525 and P-524), not yet named, zoned OS1 and G1 located west of the subject property along Little Creek Road, which is less than 127.5 m (418.3 ft.) from the subject lands. Currently the park includes a multi-use trail and the completion of this park is scheduled for 2020.</p> <p>Under registered plan of subdivision M-1957, Cash-in-Lieu (CIL) of Parkland Dedication has been satisfied for 1 473 residential units. As of August 22, 2018, CIL credits have been applied toward 1 013 residential units under this plan of subdivision. As such, 460 residential units are eligible for remainder CIL credits. Prior to the issuance of building permits, cash-in-lieu for park or other public recreational purposes is required pursuant to Section 42 of the Planning Act (R.S.O. 1990, c.P.13, as amended) and in accordance with the City's Policies and By-laws.</p>
<p>City Community Services Department – Culture Division (January 8, 2019)</p>	<p>The Stage 1-2 Archaeological Assessment recommended further archaeological assessment prior to any development or land alteration.</p> <p>A letter from the Archaeological Program Unit at the Ministry of Tourism, Culture and Sport stating that there are no further archaeological concerns is required.</p>
<p>City Community Services Department – Fire and Emergency Services Division (July 20, 2018)</p>	<p>Fire has reviewed the OPA/Rezoning applications from an emergency response perspective and has no concerns; emergency response to the site and water supply available are acceptable.</p>

Based on the comments received and the applicable Mississauga Official Plan policies, the following matters will have to be addressed:

- Are the policies and principles of Mississauga Official Plan maintained by this project?
- Do the proposed building heights appropriately address the City Structure?
- Is the amount of retail and office commercial space proposed acceptable given the need to balance population and jobs within nodes?
- Does the proposal contribute to the range of housing options and affordable housing in the City?
- Is the massing, density, setbacks and building configuration of the proposal appropriate?
- Are the transitions to neighbouring properties appropriate?
- Are the proposed zoning by-law exception standards appropriate?
- What are the expected traffic impacts?
- Provision of a satisfactory Functional Servicing Report to determine if there is adequate capacity and resolution of all servicing and utility issues
- Is there likely to be a cumulative impact on capacity in the Uptown Major Node should this proposal be approved in terms of community centres and parks, traffic on abutting streets, fire protection, and physical infrastructure?

Development Requirements

There are engineering matters including: grading, engineering, servicing and stormwater management that will require the applicant to enter into agreements with the City. Prior to any development proceeding on-site, the City will require the submission and review of an application for site plan approval.
