Re: Removal of the "H" Holding Provision from Zoning By-law 0225-2007
1101 – 1125 Clarkson Road North
Clarkson Road Holdings Inc.

The City intends to pass a by-law to remove the "H" holding provision from the zoning of the lands indicated on the key map located on the reverse side of this notice.

The lands have already been approved and zoned by City Council for development although there were a number of technical matters to be resolved prior to the developer proceeding with construction, such as a Development Agreement executed between the City and the property owner. These matters have now been dealt with and the effect of the removal of the "H" holding provision will allow for the construction of a 176 unit four storey stacked and back to back townhouse development within four blocks and 2, three storey commercial blocks.

The earliest date on which Council proposes to meet to pass the amending by-law is June 30, 2021. For further information, please contact David Ferro at 905-615 3200 ext. 4554.
