The subject lands are designated Residential Density I which permits which only permits detached dwellings in the Matlon Neighbourhood Character Area.

The proposal Amendment is to change the land use designation to Residential Medium Density to permit 15 townhouses, and is acceptable from a planning standpoint and should be approved for the following reasons:

- The proposed re-designation meets the overall intent, goals, objectives and policies of Mississauga Official Plan as townhouses are contextually appropriate, being located at the periphery of this neighbourhood.
- The proposed designation is appropriate for the property and will not adversely impact or destabilize the surrounding land uses. The provided setbacks and layouts are respectful of the adjacent properties.
