# COVID HERO

## **Recognizing COVID Heroes**

Not all heroes wear capes, but many wear face masks. The City of Mississauga recognizes the residents, groups and businesses that have contributed to helping our community in a significant way during the COVID-19 pandemic.

On behalf of the City of Mississauga, we salute our COVID Heroes who have gone above and beyond during the pandemic to help their neighbours, coworkers and community members in need. The kindness of these extraordinary residents, groups and businesses helped to ease some of the challenges and struggles many in our city have faced during the pandemic.

To all of our COVID Heroes, we recognize you,  
we salute you and we thank you.

---

**Mayor Bonnie Crombie & Members of Council**
