

Pedestrian Master Plan

NOTICE OF PUBLIC CONSULTATION Online Community Meeting

The City of Mississauga is developing its first ever Pedestrian Master Plan. The plan will shape how pedestrian connections are designed and implemented across our neighbourhoods, helping to enhance and create safe places for people to walk in Mississauga. The plan will act as a go-to reference for pedestrian infrastructure projects until 2041, supporting the City's commitment to a Vision Zero approach.

We invite you to join our online community meeting to help refresh the vision and confirm priorities for the Mississauga Pedestrian Master Plan. The plan will shape how pedestrian connections are designed and implemented across our neighbourhoods, helping to enhance and create safe places for people to walk in Mississauga. You will have the opportunity to learn more about the Pedestrian Master Plan and provide feedback during the session.

Join us for an Online Community Meeting
Thursday November 12th, 6:00pm-8:00pm
Register online at yoursay.mississauga.ca/pedestrian-master-plan

The City is keeping the community safe by complying with regional and provincial guidelines, supporting physical distancing, and postponing in person public meetings. Engagement for essential and priority projects continues online paired with universally accessible methods. It is anticipated that the Master Plan will be complete in February 2021.
