Address	Request No.
Description of proposed work	

Applicable Laws

A complete list of Acts and Regulations that are considered “[Applicable Law](#)” are set out in Article 1.4.1.3 of Division A of the Ontario Building Code.

The following approval processes must be completed if they apply to this project, before a building permit can be issued. For more detailed information about the application of these laws to any project, please contact the listed agency, or refer to the actual text of the legislation. Application submissions that contain all necessary applicable law approval documents may be considered a “complete” submission subject to review in accordance with legislated timelines.

The Applicable Laws listed below are provided for convenience purposes only and do not necessarily describe every approval which may be necessary. Building permit documents must be consistent with applicable law approvals.
