

CITY OF MISSISSAUGA

1 PORT STREET EAST PROPOSED MARINA ENVIRONMENTAL ASSESSMENT NOTICE OF PUBLIC INFORMATION CENTRE #2

WHAT?

The City of Mississauga is undertaking the environmental assessment (EA) under the *Environmental Assessment Act* for the 1 Port Street East Proposed Marina Project in accordance with the approved Terms of Reference. The EA will study proposed lakefill alternatives for additional waterfront parkland and marina services for this site.

WHY?

This Project is a key element of Inspiration Port Credit's Charting the Future Course Master Plan. The 1 Port Street East Proposed Marina Project is intended to help fulfill the Master Plan vision "to ensure that an iconic and vibrant mixed-use waterfront neighbourhood and destination with a full service marina is developed at the 1 Port Street East Site".

The project provides an opportunity to:

- Enable the continuation of the site's historic marina function, which is key to the cultural identity of the Port Credit community;
- Support marina and other business activity, for the benefit of the City and its residents;
- Create new waterfront parkland with safe public access;
- Allow for enhancements to aquatic and terrestrial habitat.

HOW?

On September 16, 2021, the Minister of the Environment, Conservation and Parks approved the Terms of Reference for the 1 Port Street East Proposed Marina Project. EA Public Information Centre (PIC) #1 was held virtually from February 17 to March 17, 2022. The approved Terms of Reference, the EA PIC #1 materials and summary are available at: mississauga.ca/1portstreeteast. A hard copy of the Terms of Reference is available upon request by emailing beata.palka@mississauga.ca.

This study will be carried out according to the approved terms of reference and the requirements of the *Environmental Assessment Act*. Results from this study will be documented in an environmental assessment, which will be submitted to the ministry for review. At that time, the public, Indigenous communities and other interested persons will be informed when and where the environmental assessment can be reviewed. Members of the public, agencies, Indigenous Communities and other interested persons are encouraged to actively participate in the environmental assessment process by attending consultation events or contacting staff directly with comments or questions. Consultation opportunities are planned throughout the environmental assessment process and will be advertised on the City of Mississauga's project website, in local papers, and by direct email to those on the mailing list.
