Policy Statement

This policy provides a consistent approach to the use of City of Mississauga resources during an Election Campaign Period and expressly prohibits the use of City Resources for campaign purposes.

Purpose

The purpose of this policy is to provide clear direction to all Candidates, Elected Officials, Registered Third Parties and City employees to ensure a fair and transparent electoral process, while also ensuring compliance with all applicable legislation, including the *Municipal Elections Act, 1996* (the “MEA”).

The City recognizes that Elected Officials are responsible to serve their constituents and fulfill their responsibilities until the end of their term but that clear separation must exist between the Elected Official’s role as a Candidate and their role as a Member of Council (or local board).

Scope

This policy applies to:

- All Candidates for a municipal election or by-election
- Where applicable, all Candidates for a provincial or federal election or by-election
- All Elected Officials of the City including those not seeking re-election
- All City employees, including employees in the offices of Elected Officials
- Members of local boards, and
- Registered Third Parties

For additional Municipal Election information visit www.mississaugavotes.ca

Legislative Requirements

This policy complies with the MEA. The MEA prohibits a municipality from making a contribution to a Candidate or a Registered Third Party in a municipal election during an Election Campaign Period. Any use of City of Mississauga resources by or on behalf of a Candidate or Registered Third Party during an Election Campaign Period would be considered a contribution by the City. The *Election Finances Act* and the *Canada Elections Act* impose similar prohibitions for provincial and federal election campaigns.

Elected Officials are also governed by the Council Code of Conduct, as amended. Elected Officials may seek confidential advice from the Integrity Commissioner with respect to interpretation of the Council Code of Conduct, the *Municipal Conflict of Interest Act* and any policy of the municipality (including this policy) that governs the ethical behaviour of Elected Officials.
