Re: School Streets Pilot Project

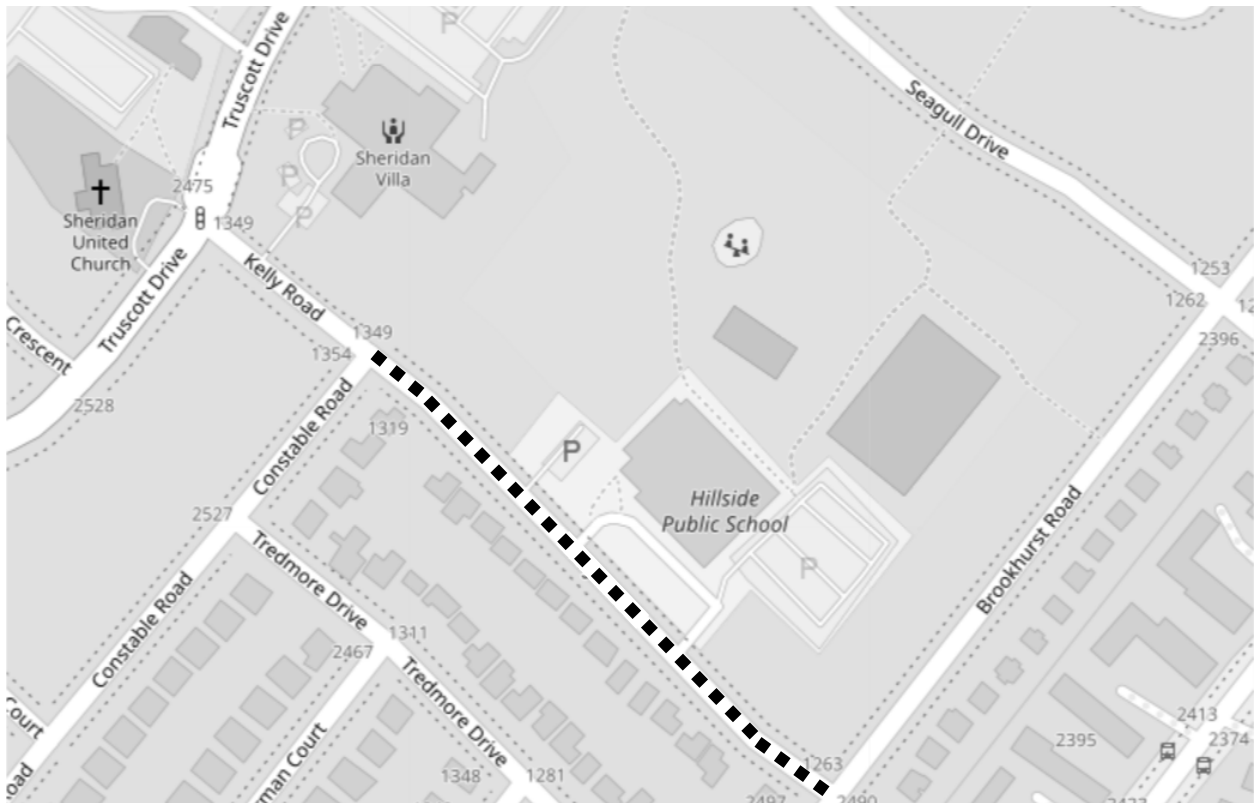

Dear Resident,

The City of Mississauga is leading an innovative pilot project in your neighbourhood called **School Streets**. A School Street creates a **temporary, car-free environment** in front of a school during drop-off and/or pick-up times. This creates safe, community-friendly spaces for students and their parents or guardians walking and cycling to and from school. It also limits non-local traffic using the residential street.

About the project

The pilot project will launch on **Monday May 9 and will run Monday to Friday until Friday May 27 (3 weeks)**. At the beginning and end of each school day (i.e. from 8:15 a.m. to 8:50 a.m., and from 2:30 p.m. to 3:20 p.m.), **Kelly Road will be temporarily closed to vehicle traffic**. The planned area for the temporary road closure on Kelly Road is shown below:

■■■■■■■■ Road Closure Area (No Through Traffic)

The road closure area on Kelly Road will be closed to all vehicle traffic, with exceptions for school buses, emergency vehicles and residents who live on Kelly Road within the closure area. Residents living within the closure will be allowed access by vehicle between their driveways and the boundaries of the closure area, if needed. They will be expected to travel at a very slow speed and be aware of children and other pedestrians who may be on the road.

For any other feedback and questions, you may contact the Project Lead directly, using the contact information provided below.
