

NOTICE OF CREDIT RIVER ACTIVE TRANSPORTATION BRIDGE DESIGN WORKSHOP

NEW CREDIT RIVER ACTIVE TRANSPORTATION (AT) BRIDGE STUDY

Schedule B Class Environmental Assessment (EA) Study and Preliminary Design

The AT Bridge Study Design Workshop will gather public input on the vision and specific design elements to inform the future detailed design of the bridge.

How to Participate

There are two ways to participate.

Fill Out the Online Survey

WHEN: Visit the Project Website to complete a survey on AT bridge design elements. The survey is available 24 hours a day, 7 days a week from **April 26 to May 10 2022**. Visit mississauga.ca/lakeshore-transportation to fill out the survey.

Join the Virtual Design Workshop

WHEN: There will be a Virtual Design Workshop on **Tuesday May 3, 2022 beginning at 6:30 p.m.** The project team will present bridge design elements and concepts and go through a series of guided questions to gather participants' input on the vision for the AT bridge. Registration is required. Visit mississauga.ca/lakeshore-transportation to register for the workshop.

All personal information included in a submission – such as name, address, telephone number and property location – is collected, maintained and disclosed by the Ministry of the Environment for the purpose of transparency and consultation. The information is collected under the authority of the Environmental Assessment Act or is collected and maintained for the purpose of creating a record that is available to the general public as described in section 37 of the Freedom of Information and Protection of Privacy Act. Personal information you submit will become part of a public record that is available to the general public unless you request that your personal information remain confidential. For more information, please contact the Project Officer or the Ministry of the Environment's Freedom of Information and Privacy Coordinator at 416-327-1434.

This notice was first issued on April 21, 2022.

The Credit River Active Transportation Bridge Design Workshop will build upon the feedback from the Virtual Public Open House for the Lakeshore Transportation Studies that took place in March 2022.
