

Public Information Centre (Clarkson Road & Lakeshore Road Intersections Improvements Municipal Class Environmental Assessment Study April 27th, 2022

Study Purpose

The City is completing an Environmental Assessment (EA) study to investigate opportunities to improve the operations, safety and mobility for all road users at the Lakeshore Road West and Clarkson Road North / Clarkson Road South intersections.

Meeting Purpose

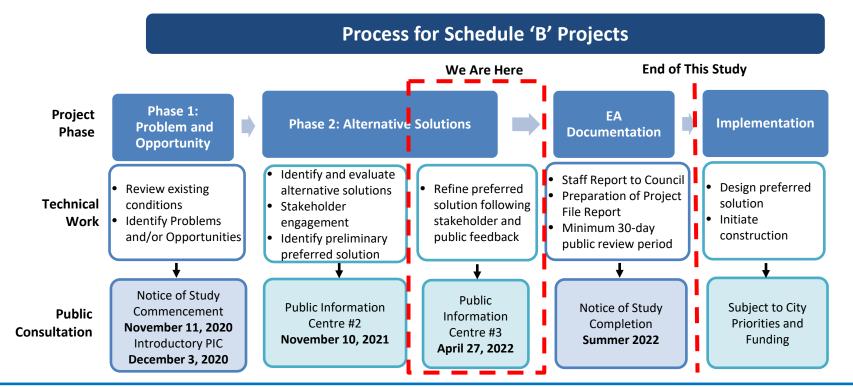

To provide update on the preferred solution; and

Discuss next steps and how to stay informed.

What is an Environmental Assessment?

PIC #2 Recap

Do Nothing

Do Nothing

 Least expensive option but it does not address any of the safety or operational issues.

Solution 1

Realign Clarkson Road North

 Most desired from a design perspective but has significant property impacts and construction costs

Solution 2

Centre Median and Side by Side Left Turn on Lakeshore Rd

 Improves safety and operations at the intersection with minimal property impacts and much lower construction costs

Preliminary Preferred Solution

Solution 3

Centre Median and Eastbound Left Turn via 'Laneway'

 Improves safety and operations at the intersection but has significant property impacts and construction costs

What We've Heard

Desire for a more **pedestrian friendly** environment to be created

Concern that the preliminary preferred alternative is a **short-term** solution

Concern the preliminary preferred solution will prioritize vehicular traffic

Desire for the preferred solution to contribute to the **transformation** of Clarkson Village

Desire for a preferred solution that will make the Clarkson Village area **safer**

Road Safety – Vision Zero

Adopted by Mississauga in 2018

Goal of Vision Zero:

Eliminate all serious injuries and fatal collisions

City Council approved 99 Actions to advance road safety

Vision Zero Actions

Reduce Lane Widths

Pedestrian Crossing Improvements

Protected and Dedicated Cycling Infrastructure

Sightline Improvements

Transit Stops

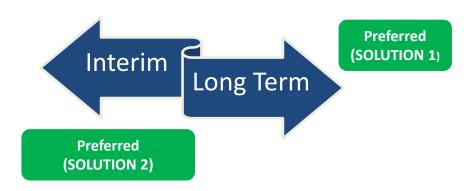

Vehicle Access Points

Evaluation Update and Preferred Solution Refinement

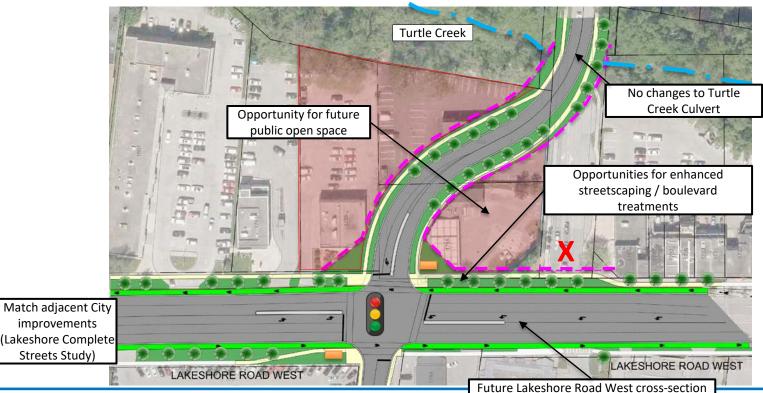

Perspectives on cultural environment and socio-economic updated

Opportunity to address immediate concerns while still planning for a longer-term vision

Preferred Solution (Long Term)

Existing property boundaries

Potential Transit Improvements (To be confirmed)

Active Transport Improvements (Cycle Tracks)

Boulevard / Streetscaping Opportunities

Existing Clarkson Road North Closed

Proposed Right of Way (ROW)

Sidewalk

Future Property Requirements

improvements

Streets Study)

and access management to be confirmed by the Lakeshore Complete Streets Study

Existing Right of Way (ROW) X **Access Closed Interim Preferred Solution** Proposed ROW Property required Transit Improvements Active Transport Improvements (Cycle Tracks) Lakeshore Road West widened to Accesses / Driveways consolidated to reduce accommodate left-turn lanes in each direction number of crossings, improve safety and Relocated bus stop with between the intersections better access management Match adjacent City proposed westbound bus shelter improvements Esso Gas Existing on-street (Lakeshore Station parking retained Complete Streets) LAKESHORE ROAD WEST LAKESHORE ROAD WEST Crosswalk improvements (alignment, removal of Raised (concrete) centre median prohibits Eastbound bus stop and shelter obstructions)

crossing movements between the

intersections, improving traffic operations

relocated east of Clarkson Rd N

intersection

Interim Preferred Solution Rendering

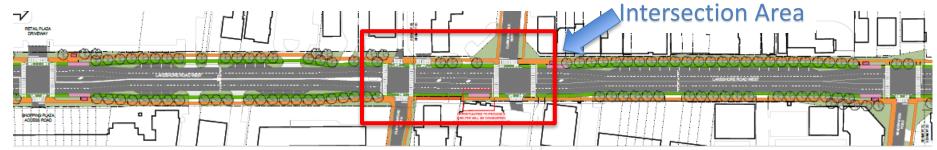

Existing (East from Clarkson Rd South)

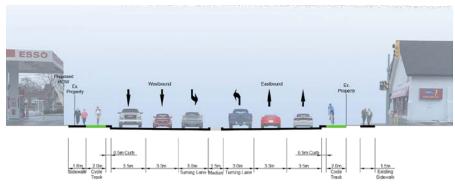

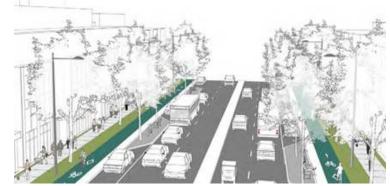

Lakeshore Complete Streets Study

Interim Preferred – Through Intersection Area

Interim Preferred - Outside of Intersection Area

Project Timeline and Next Steps

Notice of Study Commencement November 11, 2020 Public Information Centre #1 December 3, 2020 Public Information Centre #2 November 10, 2021

Public Information Centre #3 April 27, 2022 Notice of Study Completion / File Project File Report Summer 2022

Next Steps

Finalize Preliminary Design

Document Study Findings

Mississauga Council for approval
