

# School Streets Pilot Project

Community Meeting  
April 12 2022

# Land Acknowledgment

“We acknowledge the lands which constitute the present-day City of Mississauga as being part of the Treaty and Traditional Territory of the Mississaugas of the Credit First Nation, The Haudenosaunee Confederacy the Huron-Wendat and Wyandot Nations. We recognize these peoples and their ancestors as peoples who inhabited these lands since time immemorial. The City of Mississauga is home to many global Indigenous Peoples.

As a municipality, the City of Mississauga is actively working towards reconciliation by confronting our past and our present, providing space for Indigenous peoples within their territory, to recognize and uphold their Treaty Rights and to support Indigenous Peoples. We formally recognize the Anishinaabe origins of our name and continue to make Mississauga a safe space for all Indigenous peoples.”

# School Streets Quick Facts

- Has this been tried elsewhere?
  - Yes!
- Won't it just push traffic elsewhere?
  - Past pilots have shown “no”
- Why are we doing this as a pilot?
  - To see whether it impacts how students travel to/from school
  - To see whether it is acceptable
- Are there plans to extend beyond the 3 weeks?
  - Not right now; testing it out first

# Get Involved

# Take the Survey

## School Streets pilot project

Get Involved   About   Locations

Three schools in the city will be taking part in a School Streets pilot project, which will create safe and community-friendly spaces for residents to get to school.

A School Street creates a temporary car-free environment in front of a school during drop-off and pick-up times. This creates safe, community-friendly spaces for people walking and cycling to school, including students, their caregivers and teachers.

We want your feedback! Have your say on this project by completing a survey.
