Policy Statement

ActiveAssist, the City of Mississauga’s fee assistance program, will enable many residents living in low-income households to register and participate in quality cultural, library and recreational activities by offering user fee credit subsidies.

Purpose

User fee subsidies will extend the benefits of municipal Culture, Library and Recreation programs to an increased number of children, youth, families and older adults who live in low-income conditions and are therefore less likely to afford current user fees.

Scope

ActiveAssist is based on the economic need of individuals and families. Participation in the program is capped at 14,500 low-income individuals who are residents of Mississauga.

Post-secondary students who are enrolled full time in a college or university are not eligible, as these institutions provide affordable community service options. An exception is made for full-time post-secondary students with dependants.

Mississauga residents who participate in another City-administered fee assistance program are not eligible to apply for ActiveAssist during that calendar year.

Legislative Authority

Verification of income is required in order to confirm eligibility to ActiveAssist. The procedures for gathering and recording income level and net individual/family income information outlined in this policy comply with all applicable legislation, including the *Municipal Freedom of Information and Protection of Privacy Act* (MFIPPA). For additional information on MFIPPA refer to Corporate Policy and Procedure, Records Management, Freedom of Information and Protection of Privacy.

The City of Mississauga, as authorized by the *Municipal Act, 2001*, establishes an annual by-law to impose, waive, reduce or otherwise vary a recreation program fee or charge.

Definitions

For the purposes of this policy:

“Family” means the applicant, his/her spouse or common-law partner and all legal dependants.

“Family Net Income”, as defined by the Canada Revenue Agency (CRA), means the total of the applicant’s net income and their spouse’s or common law partner’s net income.

“Low Income Cut-Off (LICO)” means a measure of poverty calculated by Statistics Canada using an annual survey of incomes and defines a set of **after tax (net) income** levels below which individuals are considered to be living under the poverty line. Cut-off levels vary with the number of family members and are adjusted periodically for inflation.

“Membership” means all recreational memberships/passes, such as, but not limited to, fitness, swimming and skating. Memberships are for the exclusive use of the member, are limited to a fixed term and have a specific expiry date. Personal training and multi-visits are excluded.

Administration

ActiveAssist is administered by the Community Services Department, Recreation Division, via the Customer Service Centre (“CSC”). All ActiveAssist credit subsidies will be tracked using a registration software system. Recreation staff will undertake compliance auditing and produce ongoing reports to ensure strict management of the program. Significant changes cannot be made to the program cap or eligibility requirements without Council approval.

Overview of Program

ActiveAssist is a municipally supported financial assistance program available to those with incomes below LICO levels. The most recent LICO rates available at the time of registration will be used to determine eligibility. The Manager, Sport Development & CSC or their designate will be responsible to monitor Statistics Canada LICO adjustments and communicate them to staff, including clear effective dates.

Community Services staff will collaborate with community agencies and stakeholders, who will promote ActiveAssist to residents who have been identified as low-income. Information will also be available to residents of Mississauga in a variety of Community Service marketing material

Enrolment

Participants in the program will be accepted on a first-come, first-served basis. Each eligible ActiveAssist participant will be enrolled for a period of one year and receive an annual subsidy of \$275, in the form of an account credit, that can be applied to Mississauga Culture, Library and Recreation registered paid programs and/or non-transferable Memberships. ActiveAssist

participants have the option to either use their credit subsidy to cover the full program cost or to pay a portion themselves, using an accepted payment method.

ActiveAssist credits cannot be transferred to another person. All conditions related to programs, including: transfers, Membership changes, withdrawals and missed classes as outlined in Corporate Policy and Procedure - Fees and Other Revenues - Administration of Program and Membership Fees, will apply to ActiveAssist registrants, with the exception of administration fees.

Registrations will be ongoing throughout the year. The first day of each customer's twelve month enrolment period will be the date their subsidy is activated.

ActiveAssist participants are responsible to apply annually and must continue to meet all eligibility criteria. Applications for the next year may be made thirty calendar days prior to the end of their current enrolment period.

If the maximum number of ActiveAssist customers has been reached, applicant(s) will be put on a waitlist, as outlined in the ActiveAssist Waitlist section of this policy.

Unused Credit

The following applies to unused credits:

- Any full account credits that have not been accessed six months after the customer's enrolment date are automatically removed by the registration software system
- Any partial account credits remaining twelve months after the customer's enrolment date are automatically removed by the registration software system, and
- Credits cannot be carried over to the following year, transferred to another individual or family member or redeemed for cash. If the remaining credit is not sufficient to cover the full cost of a program the participant may opt to pay the balance using any accepted means of payment

Credits can be applied to any active registration program, even if the start date is past the individual's year end date. For example, the customer's activation date is July 15, 2020, with an expiry date of July 14, 2021. The customer may choose to enrol in April, 2021 for a program that starts in August, 2021.

Credits can be used to purchase a Recreation Membership, providing the start date is before the ActiveAssist expiry date, or to extend an existing Recreation Membership.

In the event that an Active Assist participant has registered in a program that is cancelled by the City after the participant's ActiveAssist enrolment period has expired, the customer may be transferred to another program in the same session by the CSC.
