The Best of 50s & 60s Music!

A true passion for an era when ice cream cost a quarter, milk was delivered to the door, and people danced to live music!

The Dreamboats are bringing back good ol' Rock n' Roll! With a sound that is equal parts Chuck Berry and The Wonders, this quartet of handsome Canadian boys delivers a high energy, nostalgic show that has audiences singing and dancing the night away!

"Tons of mixed emotions leading up to [the Living Arts Centre] gig! Surreal being one of many. ... It's been a very long time since we've performed a public show in Mississauga. Performing in front of our hometown crowd is not only the biggest honour, but a way to set the bar high for ourselves on delivering the best show experience we can give. We are proud of ourselves to hit this milestone, and appreciate all the love and support we've received along the way in our city. We owe this to our fans."
