Tree Injury or Destruction Questionnaire and Declaration

The City of Mississauga has enacted Public and Private Tree Protection By-laws 0020-2022 and 0021-2022, as amended, that require a Permit to injure or destroy trees on public and private property within the City. Furthermore, a Tree Removal Permission process has also been established in certain circumstances. A Tree Permit is required when a tree with a diameter of 15 cm (6 in.) or greater is proposed to be injured or removed on private property due to the owner's desire, or in conjunction with a development application. A Tree Permit is required when a tree of any size is proposed to be injured or removed on public property.
