Add my Email Address to the Project Notification List

1. Do you have any other questions or concerns about the existing conditions of the study area?
  - Erosion issues
  - Fisheries conditions
  - Terrestrial ecology
  - Hydrology and hydraulics
  
2. Do you have any questions or comments about the criteria used to evaluation the four alternatives?
  - Physical and Natural Criteria
  - Technical and Engineering Criteria
  - Social and Cultural Criteria
  - Economic Criteria

3. Do you have any feedback on the preliminary scoring of the alternatives or the commentary provided by the project team?
  
4. The preliminary scoring of the alternatives by the project team suggests the following preferred alternatives for the identified erosion sites:
  - Site #1 Ice Control Structure – Alternative #3: Retain By-Pass Channel
  - Site #2 Erindale Park Bank Restoration – Alternative #3: Revetment and Buttress
  - Site #3 Credit Heights Bank Restoration – Alternative #3: Replace Gabion Baskets with Vegetated Buttress
  - Site #4 Ashington Court Retaining Wall – Alternative #2: Replace Armourstone Wall
  - Site #5 Summit Court Slope – Alternative #3: Armourstone Retaining / Gravity Wall
  - Site #6 Downstream Trails – Alternative #4: Trail Realignment
  - Site #7 Mid Trails – Alternative #3: Boardwalk
  - Site #8 Upstream Trails – Alternative #4: Realign Trail

Do you support this outcome? Why or why not?

5. Do you have any additional comments that you have regarding any aspect of the study?

6. Was the information provided helpful to you?

- Yes
- No

7. Was the information provided:

- too technical
- about right
- not detailed enough

Thank you for your comments!
