Att. Diana Rusnov, City Clerk.

March 14, 2023

Dear Madam Mayor and Members of Council:

Re: Quarterly Report

On February 9th, 2022, Council passed resolution 0030-2022 which required quarterly reports from the Integrity Commissioner on any complaints that I deemed not within my jurisdiction. For periodic reports, the *Municipal Act* prohibits me from identifying the persons concerned in such complaints.

During the first quarter of 2023 I received no complaints. I received only one request for advice from a member of Council and 5 requests from members of the public for advice, four of which consumed less than an hour of my time. The fifth was from a member of the community who persistently consulted me on legal matters which required me to docket a total of 11.6 hours during the quarter year.

I continued with my Counsel Aird & Berlis, to defend the Judicial Review Application brought by former Councillor Starr. I also prepared and presented a work session for Council and staff on the Role of the Integrity Commissioner.

Respectfully submitted,

Integrity Commissioner
